Unearthed Sins Denyse Smith,2001-07-01 **Unearth the Church** Johnmark Camenga,2024-03-13 There are many ways in which the Church has missed the mark set for it by Jesus that it would love God and neighbor and that it would preach teach and serve In missing the mark the Church has caused harm often to the very people that Jesus called the Church to love and serve This is a challenge to the Church to be honest about who and what it has become This is a call to the Church to confess its selfishness and preferences and how they have led it to be of service to itself at the expense of everyone else This is an effort to own the harm that we the Church have caused This is an attempt at entering into a conversation with the people who have been harmed or left behind by the Church If the Church is to be effective in the work Jesus has given it to do the Church must repent of its selfishness seek forgiveness for the harm it has caused and be rebuilt on the foundation that Jesus laid out That cannot happen until we Unearth the Church *Bethany's Sin* Robert McCammon,2012-01-03 A family moves to a small town dominated by a murderous cult Despite its eerie name Bethany s Sin is a pleasant place After a life of grim poverty this new community seems like heaven to Evan Reid and his family With its quaint shops manicured lawns and fresh summer smell the town charms the Vietnam veteran his wife and their daughter like nowhere else they have ever been But beneath that cheerful facade lurks something deadly As soon as they enter their new house Evan is consumed by fear He can t place its source but there is something about the town s mayor Kathryn Drago which makes him uneasy By day she is a harmless retired archaeologist But at night she leads an Amazonian cult whose next ritual calls for a secret ingredient the blood of Evan Reid **Trilogy of Truth** Reverend C. Three Governing Laws in Genesis and Romans Dr. Solomon Chijindu Okpali, 2023-03-24 About the Book At creation the man was free from the burden of sin and knew no shame But he became carnally minded because of the demise of this innocence following his disobedience of God's instruction Therefore man fell and would henceforth struggle in strife for a decent livelihood Laws came to the rescue as enabling hands for guidance and restoration Thus in various dimensions we find the operation of the Law of Sin and Death and the Mosaic laws But these as tall as they stood proved inadequate to relieve humanity of the burden of sin and restore him to the heavenly realm Then came the law of the Spirit of Life in Christ Jesus with attendance of the Cross and Grace Man thus was delivered with Liberty and free will subsequent to the Cross experience Although man receives freedom and free will he is not complacent in the equation of salvation He has a part to play even with the new law of Love Regardless man is made perfect only by the blood unto righteousness Sin is cleansed only in Christ Jesus Humanity cannot override sin nature by the power of self Therefore in today's world of strife and restlessness it is expedient for us believers to refocus our energies on the One who is able to separate us from the inherent strikes and troubles in this earth realm We must realize at least as believers that alone man is unable to sustain himself While at this two other laws must not be forgotten These are the laws of Faith and Love In our divine quests we cannot conceive and harvest our desires from God in isolation of faith Love is the cord that ties it all About the Author Solomon Okpali PhD Theology is a minister of the word and a copywriter

The Candlelight Covenant Chinedu Nnadi, 2025-11-13 Fifteen years ago six friends formed The Candlelight Covenant a secret circle led by their eccentric professor devoted to exploring the boundaries between life and death One night their experiment went terribly wrong By morning the professor was dead and they swore never to speak of it again Now journalist Clara Hensley has brought them back together in the professor's crumbling seaside mansion under the pretense of a reunion But her true motive is darker to uncover what really happened that night When she convinces the group to hold one last s'ance for old times sake they awaken something far older and far more malevolent than the spirit they intended to reach The candles flicker The walls breathe A voice not of this world whispers their names Then one of them disappears As the storm outside traps them within the mansion's rotting walls the friends begin to unravel haunted by visions of a woman cloaked in firelight and vengeance Each death reveals another piece of their buried sin and Clara realizes too late that they didn't just call a spirit they resurrected their own guilt To survive they must uncover the truth behind the professor's secret ritual before the entity that binds them claims its final soul In Candlelight Covenant every flame casts a shadow every whisper hides a warning and every promise made in the dark demands a price

Unveiling Admiral Yi Sun-sin and the Turtle ship Kwangsoob Ko, 2026-01-11 In Korea's 5 000 year history Admiral Yi Sun sin is considered one of the most respected figures and his legendary warship the Turtle Ship is

recognized as a symbol of Korea's shipbuilding technology and military innovation. This book revisits Admiral Yi's achievements and the legacy of the Turtle Ship which led to the defeat of approximately 700 Japanese vessels and secured victory in the 16th century war with Japan. Admiral Yi was able to achieve victory in every battle by developing and operating the Turtle Ship, an armored vessel with cannons capable of firing in all directions from the bow, stern, and both sides, allowing his forces to fire safely from within. Admiral Yi and the Turtle Ship were first introduced to the Western world about 100 years ago during the Japanese colonial period, and figures such as British naval historian Admiral G. A. Ballard and WWII hero B. L. Montgomery helped bring some recognition to his legacy. However, due to a lack of in-depth publications or historical resources available in English-speaking countries, the full historical significance of Yi and the Turtle Ship has not been widely understood internationally.

The Author's Dedication and Research Background
This book is the result of over a decade of research by Dr. Ko Kwang-soob, a retired Navy Captain who graduated from the Korean Naval Academy and served as a professor at the Naval Academy, Naval College, and various marine-related universities. Drawing on Admiral Yi's war diary, his official battle reports to the king, and the records of the Annals of the Joseon Dynasty, this book provides readers with an in-depth understanding of Admiral Yi and the Turtle Ship. In particular, the book includes recent scientifically backed research findings and newly uncovered insights revealed over the past 50 years by Dr. Ko and other Korean scholars.

Structure and Content of the Book
The book is organized into seven chapters. Chapter 1 covers the background of the Imjin War, Admiral Yi Sun-sin's life, and the unique armament and tactics of the Turtle Ship. Chapter 2 details the major battles that Admiral Yi participated in, including the Battle of Hansan, where he achieved victory using the crane wing formation. In this chapter, battle situations are depicted on Google Maps based on historical sources, helping readers easily understand the joint tactics of the Turtle Ship and Panokseon. Chapter 3 explores Admiral Yi's leadership and foresight as he led his forces through outbreaks of disease and famine, preparing for future battles. Chapter 4 explains the collapse of the Korean Navy under Admiral Won Gyun's command and Admiral Yi's eventual reinstatement, including recent research findings that correct historical misunderstandings. Chapter 5 recounts the miraculous Battle of Myeongryang, where Yi defeated over 130 Japanese vessels with only 13 ships, as well as the rebuilding of the Korean Navy. Chapter 6 focuses on the Korea-China allied operations, Yi's collaboration with Chinese Admiral Chen Lin, and Admiral Yi's final moments in the Battle of Noryang, summarizing Yi's strategies and tactics in comparison with modern military guidelines. Chapter 7 reflects on Admiral Yi's legacy, both as a military leader and as a public servant dedicated to his family and country. Through this book, the author brings Admiral Yi Sun-sin's legacy to readers worldwide, celebrating his courage, innovation, and integrity while offering profound insights into Korean history, culture, and military strategy.

Sweet As Sin Susan Benjamin, 2016
There's more to candy than its sugary taste. As this delightful book shows, candy has a remarkable history, most of it sweet, some of it bitter. The author, a food historian and candy expert, tells the

whole story from the harvesting of the marshmallow plant in ancient Egypt to the mass produced candy innovations of the twentieth century Along the way the reader is treated to an assortment of entertaining facts and colorful characters These include a deposed Mexican president who ignited the modern chewing gum industry the little known son of a slave woman who invented the sugar processing machine still in use today and the Native Americans who created an important food by mixing fruit with dried meat The name of the product was pemmican The author traces humanity s changing palette over the centuries as roots barks and even bugs were savored She surveys the many uses of chocolate from the cacao bean enjoyed by Olmec Indians to candy bars carried by GIs in World War II As she notes many candies are associated with world s fairs and other major historical events Fun and informative this book will make you appreciate the candy you love even more and help you discover new treats

The Turmoil at Talangsari Widjiono Wasis,2003 A powerful narrative about a heretofore little known fundamentalist group that briefly existed in Indonesia during 1989 Organized as a reference book it details the motivations of the group s leaders their Quixotic attempt to form a puritanical commune in modern day Southeast Asia and finally their destructive confrontation with the authorities It strips away rumors and for the first time offers compelling evidence as to what happened during the radical band s final hours This book is a must read for persons interested in contemporary Indonesian history Islam in modern Southeast Asia and the current spate of terrorism in the Indonesian archipelago

A Dangerous Flirtation: Did Ida May Sin? Laura Jean Libbey,2020-09-28 You are surely jesting to ask my opinion as to whether any one of those young girls would accompany a stranger to a place of amusement You certainly know as well as I do that they wouldn t entertain such a thought for an instant And even suppose they did Their parents would soon let you know what they thought on the subject Like all sweet rosebuds they are guarded by thorns A very stern duenna usually accompanies them on their afternoon rambles and woe to anything masculine who attempts to hold a few moments conversation with any one of them I confess I was surprised to find them alone to day very much surprised I must say Fate interposed in my behalf laughed Ainsley nonchalantly adding I tell you Phil I am a strong believer in fate no matter what any one says to the contrary believing with the poet everything is preordained planned out ahead for us and we can not escape it We are to meet certain people One girl makes no impression upon us whatever no matter how pretty she may be we meet another and lo with the first glance from her eyes the mischief s done we are done for Now am I not correct I hope you have not made such a fool of yourself as to fall in love at first sight with any one of those young ladies to whom I was mad enough to introduce you Ainsley cried Ravenswood very much nettled
