Spirit Himself:

The Spiritual Senses Paul L. Gavrilyuk, Sarah Coakley, 2011-11-10 Is it possible to see hear touch smell and taste God How do we understand the biblical promise that the pure in heart will see God Christian thinkers as diverse as Origen of Alexandria Bonaventure Jonathan Edwards and Hans Urs von Balthasar have all approached these questions in distinctive ways by appealing to the concept of the spiritual senses In focusing on the Christian tradition of the spiritual senses this book discusses how these senses relate to the physical senses and the body and analyzes their relationship to mind heart emotions will desire and judgement The contributors illuminate the different ways in which classic Christian authors have treated this topic and indicate the epistemological and spiritual import of these understandings The concept of the spiritual senses is thereby importantly recovered for contemporary theological anthropology and philosophy of religion The Christian Doctrine of God, One Being Three Persons Thomas F. Torrance, 2016-01-28 Written by one of the twentieth century s foremost modern Trinitarian theologians The Christian Doctrine of God remains a classic ground work for scholars and students alike In the book Thomas F Torrance offers a detailed study of the most profound article of the Christian faith the Holy Trinity Torrance adopts a holistic approach when examining the inter relatedness of the three persons Father son and Holy Spirit and their dynamic Communion with the Being and Nature of God Combining immense academic range with his characteristically fresh theological perspectives Torrance builds a significant theological bridge between ancient and modern as well as between the Roman and Protestant theology he engages deeply with the Church Fathers and discusses the ontological nature of God Here Torrance conveys a simple message the doctrine of the Trinity is the doctrine of God This Cornerstones edition includes a new introduction written by Professor Paul D Molnar in which Molnar sets Torrance s classic work in its modern context and considers how it continues to influence the way we think about the Trinity today **Aquinas and Calvin on Romans** Charles Raith II, 2014-05 Aquinas and Calvin on Romans is a comparative analysis of John Calvin s and Thomas Aquinas s commentaries on Romans with a focus on our participation in God s work of salvation The study accomplishes two principle goals it demonstrates that Calvin s critiques of his scholastic opponents arising from his reading of Romans fail to find a target in Aquinas s interpretation while Calvin s principle positive assertions are upheld by Aquinas as well and it illustrates the nonparticipatory dimensions of Calvin s thought and how those dimensions create difficulties in his reading of Romans difficulties not found in Aquinas s more participatory reading Charles Raith further suggests how Calvin s interpretation especially on the topics of justification and merit should be augmented by Aquinas s thought Raith then rereads Calvin s criticisms of the Council of Trent in light of these suggestions **A New Literal Translation from the Original Greek, of All the Apostolical Epistles. With a Commentary, and Notes ... To which is Added, a History of the Life of the Apostle Paul ... By James Macknight ... The Fourth Edition. To which is Prefixed, an Account of the Life of the Author** , 1809 **Christian Theology** Jonathan Weaver, 1900 **The Ministry, Vol. 06, No. 07** Various

Authors,2002-07-01 In this issue of The Ministry we include six messages from the Spring 2002 International Elders and Responsible Ones training held in Anaheim California The general subject of the training was knowing the Body and these six messages were on the specific topic of the principles of the Body The remaining messages on practical fellowship concerning the function of the elders and building up the Body will be included in the next issue of The Ministry Message One concerning the vision of the Body tells us that we need revelation to know the reality of the Body of Christ and to usher us into the realm of the Body This heavenly vision includes three things Me Jesus and chosen vessel Acts 9 4 5 15 Message Two concerning the constitution of the Body of Christ unveils that the Body of Christ is constituted with the Triune God and His redeemed people with His redeemed people as the outward framework and the Triune God as the inward element Message Three reveals three levels of the oneness of the believers 1 in the Father s name and by the Father s divine life 2 in the reality of the sanctifying word and 3 in the divine glory for the expression of the processed mingled and incorporated Triune God John 17 6 24 Message Four testifies that the genuine oneness of the Body of Christ is the oneness of the Spirit Eph 4 3 Message Five shows how the church ground is constituted of three crucial elements 1 the unique oneness of the universal Body of Christ 2 the unique ground of the locality in which a local church is established and exists and 3 the reality of the Spirit of oneness Message Six concludes this section on the principles of the Body by pointing out the blessing of life on the ground of oneness Psa 133 We also include a report concerning a recent conference in Armenia
