Spirit Knows:

True Mind Tom Steward,2011-06-03 In True Mind Tom Steward makes a daring attempt at describing practically and specifically how we may grow and change in Christ by the Spirit Written for todays disciple this book seeks to illuminate and inspire as well as instruct those who seek to be renewed and enlarged in their inner lives In the three parts of this book Steward addresses the following Our Inner Legacy Beginning with a proper foundation knowing God for who He is glory and majesty and encountering Him in intimacy Knowing who we are and what we have been given that we may carry out our destiny in the Lord Learning to listen and hear know and see our God and all He has to offer us Walking in Gods energy and power and the unlimited bounds of His provision Our Inner Work Understanding the role of the Spirit as he searches and reveals to us all we need to know about God and ourselves Offering submission and surrender as a daily spiritual practice Ensuring that we respond well to all the issues of life the arrows that strike us all too often as God supplies His goodness and mercy Contending with the inner nature of sin as it is represented by fear and pride and offering humility and courage as a timely replacement Our Inner Life Experiencing the mystery of oneness with God and being found in Him as He is in us Knowing transformation and renewal so that God can drape his righteousness and holiness over us like a garment Learning to be still and at rest as we abide and flow in and with our God and learning the benefits of thanks and praise in all of our days

[Morning and Evening Meditations from the Word of God](#) Michael J. Akers,2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers s teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God
