**Spiritual Excellence** Alban Goodier, 2002 Spiritual Excellence could be the most important book you read this year or any year. It's Archbishop Alban Goodier's compendium of practical and pastoral guidance on how to move beyond the beginner's stage of spirituality into deeper, more fruitful prayer and more thoroughgoing, consistent acts of charity. In these pages, the beloved author of *The Meaning of Life: The Catholic Answer* teaches you how to speak to God from your heart, not just from your lips, and how to deal better with the many troubles that keep you from turning completely to Christ as your truest, dearest friend. He shows you how to eliminate common hindrances to fruitful prayer and meditation, learn from all your sorrows and falls, and perfect your love for God and for His creatures. With remarkable insight, Archbishop Goodier maps the unique temptations that befall people like you who are especially devoted to God, and he explains the most efficacious ways of using your particular temptations to grow closer to Christ. Soon, you'll find yourself developing a faith that's wise and mature, a faith that's attractive to others and that can endure the most furious trials. Start this book today. Let it be for you the first bold step you take toward that which we all seek: spiritual excellence
