Spiritual Leadership Thomas G. Bandy, 2016-09-20 The idea that certain kinds of people gravitate toward certain kinds of leaders has been around for a long time There are exceptions and degrees of commitment of course People as individuals are complicated and changeable On the other hand people as groups are remarkably consistent and predictable There are patterns The typical follower of this leader has these characteristics The typical follower of that leader has those characteristics Conversely this group of people tends to look for believe in and listen to this kind of leader and that group of people tends to look for believe in and listen to that kind of leader There are trends Certain kinds of people are more responsive to certain kinds of leaders Certain kinds of leaders seem to be more empathic toward and understanding of certain kinds of people They seem to know some contexts certain needs and distinct attitudes better than others If you follow the career of a leader you can anticipate who they will gather around them and where they will be most effective Bandy shows how this is true for church leaders too and introduces ideas of different types of leaders attracting different groups of followers Knowing your type will help you know who will be attracted to your leadership style

Shepherding the Church Joseph M. Stowell,1997-03-11 Times are changing The Truth never will It s tough to be a pastor today Christians who stand up for what God has said are disregarded and labeled right wing extremists Political correctness and tolerance of anything but godly character is the norm So how do ministers lead God s people in this pagan culture How do they shepherd the flock as the lights fade dimmer and the nights grow colder This book is not about programs It not about developing the best techniques for numerical growth Rather it is a discussion of the heart of the matter the heart of the shepherd In Shepherding the Church Dr Stowell takes a look at what it takes to be a truly effective leader from the inside out He encourages today s leaders to focus on their own character spiritual growth and spiritual gifts Examine some heart issues like how do I prove to my congregation that I m trustworthy how do I lead by loving how do I overcome insecurities how can I transform lives with my preaching how do I lead my flock by the way I live my life how do I persevere Even in these tough times effective leadership is possible Learn from Dr Stowell as he encourages today s leaders to keep their eyes on the non negotiables of Christian ministry
