

A woman with dark hair tied back is meditating in a lotus position on a dark, textured surface. She is wearing a black long-sleeved shirt with the text "Hallelujah mantra" and a small logo. Her eyes are closed, and her hands are resting on her knees in a mudra. The background is a vibrant, ethereal space scene with purple, blue, and green nebulae and stars. A semi-transparent white box on the right contains a quote.

**The spiritual life
does not remove
us from the world
but **leads us**
deeper into it.**

Spiritual Life 101 Gwendolyn Cromer, 2008-09 To live a godly peaceable life in this World a Believer must be filled with the Holy Ghost and have the Fruit of the Spirit in his personality However before he can possess these emotional qualities and grow spiritually the field of his mind and emotions have to be cleansed by the Word of God and he must understand the spiritual principles that govern and support the Word that he is standing on Unfortunately Satan is not just going to sit back and let this happen without putting up a fight so he uses all kinds of sly deceitful manuevers to slow down or stop this process in our life He systematically uses sin unrestrained emotions and false teaching to dig holes in our health character and personality If we intend to reach the more and much fruit bearing stage that Jesus spoke about in John 15 2 5 we must strive to catch the foxes we see in our life go through our wilderness experience and take advantage of every opportunity to grow in grace and gain more spiritual knowledge and understanding The woman who was healed from the Issue of Blood understood what the hem of a priest s garment represented so as a result her knowledge her need her determination energized her faith and pushed it to a level that drew so much virtue out of Jesus that He had to ask who touched me When we understand the fundamental principles that support what we believe and what we are commanded to do it will energize our faith and maximize the level of what we receive from the Lord Understanding is a key to spiritual success

The Practical Steps to the Deeper Spiritual Life Larry Mehauffey, 2012-01-19 In attempting to more effectively communicate the principles of spiritual life to those who sincerely desire a deeper reality in their walk with Christ I have discovered that most people appreciate practical and straightforward instructions and this is especially true when it involves the mystical nature of spiritual life Although spiritual life is not meritoriously attained through natural means or human effort there are several Practical Steps that can be taken to help facilitate the practice of spiritual disciplines The combination of these Practical Steps with the spiritual disciplines themselves will work to promote a dynamic life of faith that will effectively bring the believer into a productive and rewarding relationship with God Man is an intentional creation of divine wisdom explicitly

designed to fulfill a sacred purpose Agape love requires a soul to empty the wealth of its humanity upon the altar of God as a willing sacrifice If determination is to live up to its potential in promoting the spiritual life it must be united with some very fundamental practical steps Heaven should not be a culture shock to the consciousness of the believer it should be a gradual final step into the glorious reality of a spiritual life whose progress began at conversion Divine pleasure must be the goal of human effort not divine favor The genuineness of what we actually believe is nowhere so obviously exposed as in our daily schedules It does not take overtly carnal acts to corrupt the days of a man s life for inattention and idleness produce the same result as evil actions or wicked intentions Liberty must always precede service if either are to be authentic It is our great love for the Father not our initial desire for salvation that motivates and liberates the sincere believer to live a life of chosen obedience to God **Unity** ,1918 *The Cambridge Review* ,1894 Vols 1 26 include a supplement The University pulpit vols 1 26 no 1 661 which has separate pagination but is indexed in the main vol **St. Andrew's Cross** ,1910
