Spirituality in Transition James J. Bacik, 1996 Spirituality in Transition surveys the landscape of a culturally technologically and globally changing world suggesting an authentic contemporary spirituality that deals effectively with these paradigm shifts Ideal material for groups **Navigating through Spiritual Transitions** Michael Scantlebury, 2025-06-01 We are all in transition It s a natural phase of life for us Transitions can take many forms as I am sure you ve experienced yourself Transitions build stories and reveal the history of our lives They happen whether you desire them to or not There is no way around them unless you are dead So if you are choosing life anticipate and prepare for transitions They are coming and will come again According to the dictionary a transition is a Movement Passage or Change from One Position to Another The word transition is often used in human services to refer to the general process of someone moving or being moved from one set of services or circumstances to another As Christians each transition period we go through God is leading us to ensure that we come into the fullness of all that He has promised in and through our local houses churches This leading He does with the many local houses churches across the earth that are also experiencing various transition periods However I believe that there are dangers to be aware of in this journey as we stride towards our destiny Every leader regardless of his or her calling in life will experience seasons of transition We make the common assumption that once we ve arrived at a certain place that we are beyond being tested It is not so Those who serve closest to a leader when in transition must know how to stick in both good and bad times Times of certainty and times of uncertainty It is my earnest prayer that this book will aide you in your times of transition *Lectures on the Philosophy of Religion* Georg

Sacred Journey Mike Riddell, 2011-09-22 None of us has precisely the same path to follow and yet all of us are summoned to follow a path For many of us the understanding emerges clearly in mid life at the very time when we suspect it is too late for us to do anything about it Our soul knows better it is simply time to wake up This inspiring and challenging book is for anyone who has ever asked What now or What will be left of my life when I m gone Storyteller and writer Mike Riddell brilliantly identifies the malaise that is particularly common in midlife and shows us how to make it a time for refocusing on what really matters In an engrossing blend of reflection and story he encourages us to regain our capacity for wonder and to discover the unique gift that only we can bring to the world

The 7 Minute Spiritual Manager Jay Stephens, 2005-10 The biblical principles found in The 7 Minute Spiritual Manager simplify spiritual management and increase spiritual reactions and reaction time when incorporated with the basic concepts of management The book serves as a resource and an assessment tool The seven minute spiritual manager establishes a spiritually intuitive action plan for goals and objectives which lead to purpose and decrees to the soul that as a result of spiritual practice obedience God will initiate and support thoughts and actions which will produce optimum outcomes in spite of obstacles and difficult situations The spiritual manager strives for spiritual consistency and avoidance of flesh laden distractions to close the time gap between events thought for resolution and spiritual reaction The Bible as the foundation of a spiritual action plan serves as a resource for supporting and assessing progress towards godly purpose The spiritual manager unable to remove completely the burden of sin from worldly surroundings empowers the soul to contradict the appeal of sin wrong choices to our weakest points He or she invalidates and lessens sinful opportunities while maximizing spiritual production The spiritual manager s ultimate goal then evolves from one of satisfying a temporary need to attaining ongoing spiritual enlightenment and fulfillment
