## **Sports Champions In Action:**

*The Professionalization of Action Sports* Guillaume Dumont, Holly Thorpe, 2022-07-28 Action sports have undergone dramatic growth commercialization and institutionalization over recent decades This book uncovers the social political economic and organizational dynamics of their professionalization After sketching some of the main transformations at stake in the field the contributors provide novel insights into the changing structures in the action sports industry and the effects on athletes coaches agents and the cultures more broadly Such trends came to the fore in the inclusion of surfing skateboarding sport climbing and BMX freestyle into the Tokyo Olympic Games The book explores the working lives of action sports athletes more specifically when it comes to their social media practices and the commercial pressure emerging from sponsors and it also provides key insights into the institutionalization and professionalization of action sports amid ongoing processes of globalization commodification and incorporation Overall the book reveals how different action sports i e snowboarding surfing kiteboarding parkour climbing skateboarding and across countries are at various stages in the professionalization process with local national and international responses and reactions to such trends differing considerably The chapters in this book were originally published as a special issue of *Sport in Society* Health Promoting Settings in the 21st Century: New Approaches and Competencies to Address Complexity and Inequity in an Increasingly Globalized World Peter Delobelle, Nastaran Keshavarz Mohammadi , Irma Brito, 2024-05-28 The Ottawa Charter specifies that health promotion has to be facilitated in schools homes workplaces and community settings because health is created and lived by people within the settings of their everyday life where they learn work play and love COVID 19 had a profound impact on people s lives and settings based approaches have been developed in different shapes and formats COVID 19 has also highlighted social vulnerabilities and laid bare how structural drivers of health inequity interact with class race ethnicity gender and education Evidence is needed to document how these determinants can be addressed using settings based approaches and how new settings such as digital media theories and frameworks can be used to tailor context appropriate strategies Evidence is also needed to address challenges related to sustainability resilience and adaptation of complex systems in view of global health issues such as geopolitical instability climate change and migration as well as competencies needed to address them **American History through American Sports** Bob Batchelor, Danielle Sarver Coombs, 2012-12-18 Filled with insightful analysis and compelling arguments this book considers the influence of sports on popular culture and spotlights the fascinating ways in which sports culture and American culture intersect This collection blends historical and popular culture perspectives in its analysis of the development of sports and sports figures throughout American history *American History through American Sports* From Colonial Lacrosse to Extreme Sports is unique in that it focuses on how each sport has transformed and influenced society at large demonstrating how sports and popular culture are intrinsically entwined and the ways they both reflect larger societal transformations The essays in the book are wide ranging

covering topics of interest for sports fans who enjoy the NFL and NASCAR as well as those who like tennis and watching the Olympics Many topics feature information about specific sports icons and favorite heroes Additionally many of the topics treatments prompt engagement by purposely challenging the reader to either agree or disagree with the author s analysis
