The Bertrams Anthony Trollope,1905 **The Bertrams** Anthony Trollope,1880 The Bertrams Anthony Trollope,1905 *The Bertrams* Anthony Trollope,2009-02-24 Books for All Kinds of Readers ReadHowYouWant offers the widest selection of on demand accessible format editions on the market today Our 7 different sizes of EasyRead are optimized by increasing the font size and spacing between the words and the letters We partner with leading publishers around the globe Our goal is to have accessible editions simultaneously released with publishers new books so that all readers can have access to the books they want to read **The Bertrams** Anthony Trollope,2016-01-05 V VICTIS This is undoubtedly the age of humanity as far at least as England is concerned A man who beats his wife is shocking to us and a colonel who cannot manage his soldiers without having them beaten is nearly equally so We are not very fond of hanging and some of us go so far as to recoil under any circumstances from taking the blood of life We perform our operations under chloroform and it has even been suggested that those schoolmasters who insist on adhering in some sort to the doctrines of Solomon should perform their operations in the same guarded manner If the disgrace be absolutely necessary let it be inflicted but not the bodily pain So far as regards the low externals of humanity this is doubtless a humane age Let men women and children have bread let them have if possible no blows or at least as few as may be let them also be decently clothed and let the pestilence be kept out of their way In venturing to call these low I have done so in no contemptuous spirit they are comparatively low if the body be lower than the mind The humanity of the age is doubtless suited to its material wants and such wants are those which demand the promptest remedy But in the inner feelings of men to men and of one man s mind to another man s mind is it not an age of extremest cruelty There is sympathy for the hungry man but there is no sympathy for the unsuccessful man who is not hungry If a fellow mortal be ragged humanity will subscribe to mend his clothes but humanity will subscribe nothing to mend his ragged hopes so long as his outside coat shall be whole and decent
