The Bible Expounded With Understanding:

Exodus (Understanding the Bible Commentary Series) James K. Bruckner,2012-07-01 The New International Bible Commentary offers the best of contemporary scholarship in a format that both general readers and serious students can use with profit Based on the widely used New International Version translation the NIBC presents careful section by section exposition with key terms and phrases highlighted and all Hebrew transliterated A separate section of notes at the close of each chapter provides additional textual and technical comments Each commentary also includes a selected bibliography as well as Scripture and subject indexes

1 & 2 Kings (Understanding the Bible Commentary Series) Iain W. Provan,2012-07-01 The Understanding the Bible Commentary Series helps any reader navigate the strange and sometimes intimidating literary terrain of the Bible These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard Pastors teachers and lay people alike will cherish the easily understandable truth found in this commentary series

Ezra, Nehemiah, Esther (Understanding the Bible Commentary Series) Leslie C. Allen,Timothy S. Laniak,2012-07-01 Ezra Nehemiah is the Old Testament equivalent of the Acts of the Apostles it is a book of new beginnings Just as Acts narrates the early history of the church through the work of the apostles Ezra Nehemiah narrates the re establishment of the people of God after the exile through the work of Sheshbazzar Zerubbabel Ezra and Nehemiah Allen explores Ezra Nehemiah as a single literary text made up of three parts telling the story of three missions and the opposition they meet with Wise and insightful Leslie Allen has written a commentary that illuminates these texts and their intended message Esther is a story about a young girl who becomes queen Laniak s thoughtful commentary examines this narrative as a story with many levels of meaning Esther is about the minority Jewish community in the dependent state of Diaspora navigating a precarious existence in two worlds and it is about the triumph of right over wrong of God s people over their enemies

The Bible Expounded with Understanding Mack Shelton,1995-01-01 The Bible Doctrine of Inspiration Explained and Vindicated Basil Manly,1888 The Mystery Finished; Or, Prophecy Explained by the Bible Esq. A. Winter (of Berbice.),1873 The Mystery Finished; Or Prophecy Explained by the Bible ... With Introductory Remarks by ... C. Swete,

Etc Esq. A. WINTER,1873 **Bible Knowledge Commentary: Old Testament** John F. Walvoord,Roy B. Zuck,1985-07 The Bible Knowledge Commentary answers questions about the Scriptures discussing all the Bible verse by verse and often phrase by phrase In addition maps charts and diagrams help readers grasp the meanings of the biblical text **Idioms in the Bible Explained and a Key to the Original Gospels** George M. Lamsa,2013-04-02 Explanations of nearly 1 000 ancient idioms metaphors and figures of speech in the Old and New Testaments from a renowned Bible translator George M Lamsa who was raised speaking Aramaic in a community that followed customs largely unchanged since the times of Christ

offers accurate translations of important idioms metaphors and figures of speech found in the Scripture and provides clear explanations of their meaning in biblical context Just as Shakespeare Milton and Browning wrote in the vernacular for English speaking people Moses the prophets and the apostles wrote for their own people in the plain language of their times so that even the unlearned might understand God s Word Over the centuries inaccurate translations and misunderstandings of customs and concepts have led to difficulties in bringing the biblical message to contemporary English speaking readers For example when a man says to Jesus let me bury my father Lamsa points out that this expression means Let me first take care of my father until he dies Traditionally scholars assumed that this man s father was dead and that Jesus was not interested in his burial Lamsa s scholarship offers a more accurate understanding of the intent and spirit of this passage

Idioms in the Bible Explained and a Key to the Original Gospels goes far in correcting such errors that have crept into Biblical scholarship Obscure and difficult passages from both Old and New Testaments are listed and compared with the King James version though it will be helpful when used with any English version These make clear the original meaning of such ancient idioms and assure that our grasp of the biblical message is more sound and rewarding To further uncover the original teachings of Scripture Lamsa discusses at greater length such topics as The Language of Jesus Aramaic Phraseology The Sayings of Jesus Early Translations and more [The Holy Bible Explained; Or, The Old and New Testament Digested and Illustrated, by Way of Question and Answer](#) ,1808 [Bible Knowledge Commentary](#) ,1983 Cuneiform records made some three thousand years ago are the basis for this essay on the ideas of death and the afterlife and the story of the flood which were current among the ancient peoples of the Tigris Euphrates Valley Following up on his previous volume The Babylonian Genesis the author interprets the famous Gilgamesh epic and other related Babylonian and Assyrian documents He compares them with corresponding portions of the Old Testament in order to determine the inherent historical relationship of Hebrew and Mesopotamian ideas [The Moody Bible Commentary](#) Michael Vanlaningham,2014-03-12 OVER 100 000 COPIES SOLD Now you can study the Bible with the faculty of the Moody Bible Institute Imagine having a team of 30 Moody Bible Institute professors helping you study the Bible Now you can with this in depth user friendly one volume commentary General editors Michael Rydelnik and Michael Vanlaningham have led a team of contributors whose academic training practical church experience and teaching competency make this commentary excellent for anyone who needs help understanding the Scriptures This comprehensive and reliable reference work should be the first place Sunday school teachers Bible study leaders missionaries and pastors turn to for biblical insight Scripture being commented on is shown in bold print for easy reference and maps and charts provide visual aids for learning Additional study helps include bibliographies for further reading and a subject and Scripture index The Moody Bible Commentary is an all in one Bible study resource that will help you better understand and apply God s written revelation to all of life [The Oxford Bible Commentary](#) John Barton,John Muddiman,2007-01-25 CD ROM contains Introductions and verse by verse commentaries to
