Toppers Friends:

Human(Kind) Ashlee Eiland,2020-04-07 A talented storyteller and peacemaker asks Can kindness kindle a revolution Ashlee teaches by example how to live with courage and compassion and I believe her perspective and voice will be deeply meaningful to so many people Shauna Niequist Long before polls protests and political issues divided us we were joined by a humanness that God considered very good Created in his image we reflected the height and depth of God s loving kindness but our discord has blinded us to the imago Dei in us all In this compelling collection of essays Ashlee Eiland shares her story of being a black woman living on two sides of the fence as the token black girl in majority white spaces and as the whitewashed black girl in majority black spaces As she discovers her own unique worth through these recollections Ashlee learns that extending radical kindness toward every person regardless of social status political views or religious beliefs gives us hope and rekindles our common humanity With grace and humility Human Kind invites us to chart our own formative journeys and recognize our inherent value cultivating empathy so we may once again see the image of God shining brightly within one another
