Transactional Manager How To Solve People Problems With Transactional Analysis:

The Transactional Manager Abe Wagner,1981-01-01 *TA for Management* Theodore B. Novey,1976* **Social Treatment** James K. Whittaker,Elizabeth M. Tracy, The book has two principal purposes To provide an introduction to interpersonal helping in the context of social work practice and to develop a conceptual framework for interpersonal helping called social treatment that will enable the social worker and members of other helping professions effectively to use all the various methods and strategies currently practiced The book offers an orderly and systematic way of proceeding through a complex and often confused area of practice in it large issues such as remediation versus prevention are explored along with concrete suggestions for intervention with individuals families and small groups Theoretical systems are considered not merely for the techniques they suggest but also for the values and views of man inherent in them The helping process itself is analyzed from the point of view of the consumer as well as the worker A conceptual framework for practice is developed that allows for systematic eclecticism in theory and technique providing a framework for evaluating and comparing different methods of social treatment The author defines social treatment as an approach to interpersonal helping which utilizes direct and indirect strategies of intervention to aid individuals families and small groups in improving social functioning and coping with social problems Beginning with a discussion of the concept of remediation within the context of the larger contemporary issues of social reform and environmental protection Professor Whittaker proceeds to consider several critical issues in present social work practice such as client advocacy service delivery systems and professionalization Subsequent chapters discuss the multiple roles that social work practitioners perform the major theoretical bases of social treatment the treatment sequence from intake to after care and the full range of helping activities that practitioners undertake indirectly on behalf of their clients The final chapter explores current trends and future directions in social treatment In the Appendix a framework for evaluating methods of interpersonal helping is developed and 21 approaches to social treatment are described and resource bibliographies are provided This book brief lucid and systematic is a major step toward that redefinition and will be invaluable to beginning students and advanced practitioners in social work and in all the other professional and paraprofessional fields engaged in providing human services James K Whittaker is Charles O Cressey endowed professor in the School of Social Work University of Washington He is a frequent consultant on child care training both in the Seattle area and nationally and is a consultant on research and training to the Child Development and Mental Retardation Center University of Washington He has served as director of the Social Welfare Program He is also a founding member of the International Association for Outcome Based Evaluation Research on Family and Children s Services in Italy as well as an associate board member of European Scientific Association for Residential and Foster Care for Children and Adolescents in Belgium **Performance Coaching** Carol Wilson,2014-01-03 Performance Coaching offers a guide to the fundamentals of coaching with an overview of all the key principles tools and case studies you need to develop more advanced knowledge

Whether you're thinking about becoming a coach already running a professional coaching practice or thinking about how you can embed a coaching culture in your organization Carol Wilson illustrates how to develop a best practice approach Using practical tools throughout and with international case studies to illustrate the various cultural challenges coaches and managers can face Performance Coaching is a complete resource for developing coaching in any organization This new edition of Performance Coaching has been completely updated to offer a greater focus on building a coaching culture in organizations and the challenges that leaders face in understanding and developing a coaching approach Leading a learning school Loes van Wessum, Ingrid Verheggen, 2019-08-30 Every day school leaders have to balance different focal points and for attention begging priorities How can school leaders develop a culture of learning and professional development in their schools This book offers a sound body of practical experience and theoretical wisdom that helps to come to grips with the challenge to develop a school culture that focuses on collaboration joint investigation and building a rich learning environment School leaders tend to answer the questions and to solve the problems of their teachers However this book shows that school leaders can create a learning culture not by providing answers but by asking more questions By not taking direct action but by taking a good look at the problem teachers discover better solutions The authors provide a systematic approach to ask the right questions which can help teachers to find answers for themselves and to learn Hence the title of this book Leading a learning school Which questions have you asked today Monthly Labor Review United States.
