

I AM FIRE

I used to be ice
Cold through and through
No matter who you were

Some people
feel welcomed around me
And I take that as a compliment
A sign of progress;
growth

Some people
feel intimidated by me
I take pride in that too
Because depending on your intentions
You realize
I'm either
the campfire that will warm you
or
the wildfire that will test you.

I AM FIRE

I used to be ice
Cold through and through
No matter who you were

Now
I am fire
what kind of fire I am
depends on you

Countess Kathleen and Various Legends and Lyrics 1892 reveal a poet of intense narrative power and metaphorical resource adept at transforming miscellaneous sources into haunting and original poems A major revision of his earlier narrative The Wanderings of Oisín takes place in this decade when Yeats is also taken up with the composition of elaborate and uncanny symbolic lyrics many of them resulting from his love for Maud Gonne that are finally collected in The Wind Among the Reeds 1899 This edition makes it possible to trace in detail Yeats's debts to folklore and magic alongside his involved and often difficult private and public life in poetry of exceptional complexity and power **Poems** William Wordsworth, 1898
