What The Wind Said:

What the Wind Said Ed Varney,1991 **What the Wind Said** Edwin Varney,1991 In this collection Ed Varney touches on everything from love and hate to attempting to deal with a midlife crisis iansandilands **At the Back of the North Wind (Illustrated Edition)** George MacDonald,2022-11-13 In At the Back of the North Wind George MacDonald weaves an enchanting tale that transcends the boundaries of children s literature delving into themes of love sacrifice and the interplay between reality and imagination This illustrated edition enhances the poetic prose and vivid imagery that characterize MacDonald s literary style reminiscent of both fairy tales and the Romantic tradition The narrative follows young Diamond whose adventures with the mystical North Wind reveal profound truths about human existence and the abstract concept of wonder MacDonald s exploration of the ethereal and the mundane invites readers to contemplate the nature of dreams and the essence of hope within the context of Victorian society where moral lessons were paramount in literature George MacDonald 1824 1905 stands as a pivotal figure in the development of fantasy literature significantly influencing contemporaries like C S Lewis and J R R Tolkien His deep Christian faith and philosophical insights are interwoven throughout his works reflecting a worldview that celebrates both the extraordinary and the everyday MacDonald s unique ability to recount stories that captivate both children and adults can be traced to his background as a minister and his profound understanding of human emotion and spirituality I highly recommend At the Back of the North Wind for readers seeking a richly layered narrative that invites reflection and ignites the imagination This beautifully illustrated edition not only serves as a gateway into MacDonald s fantastical world but also stands as a testament to the enduring power of storytelling and the limitless possibilities of what lies at the back of our own perceptions **Harper's New Monthly Magazine** ,1883 The Cegiha Language James Owen Dorsey,1890 *May.
