**Charles L. Zelden**

## **Split Decisions:**

*Split Decisions* Janet Halley, 2008-04-01 Is it time to take a break from feminism In this pathbreaking book Janet Halley reassesses the place of feminism in the law and politics of sexuality She argues that sexuality involves deeply contested and clashing realities and interests and that feminism helps us understand only some of them To see crucial dimensions of sexuality that feminism does not reveal the interests of gays and lesbians to be sure but also those of men and of constituencies and values beyond the realm of sex and gender we might need to take a break from feminism Halley also invites feminism to abandon its uncritical relationship to its own power Feminists are in many areas of social and political life partners in governance To govern responsibly even on behalf of women Halley urges feminists should try taking a break from their own presuppositions Halley offers a genealogy of various feminisms and of gay queer and trans theories as they split from each other in the United States during the 1980s and 1990s All these incommensurate theories she argues enrich thinking on the left not despite their break from each other but because of it She concludes by examining legal cases to show how taking a break from feminism can change your very perceptions of what is at stake in a decision and liberate you to decide it anew

**Planning Law and Practice** J. Cameron Blackhall, 2005 The main aim of this book is to provide a text for students practitioners and members of the public who are engaged in the study and or practice in the planning system of England and Wales

*Overtured* Clarke Rountree, 2024-12-17 A timely and lively summary and analysis of the Supreme Court's justifications for overruling nearly 300 prior rulings in its history An audacious US Supreme Court is overturning a number of long standing precedents and *Overtured* offers a lively account of the court's history of overturning prior cases and examples and analyses of 300 cases overruled in its history The immense controversy surrounding the case of *Dobbs v Jackson Women's Health Organization* in 2022 which overruled *Roe v Wade* and erased the constitutional right to abortion in the United States has focused public attention on how and why the Supreme Court knocks down long established precedents In his vivid and accessible style scholar Clarke Rountree recounts the rhetorical pirouettes and linguistic acrobatics the court has deployed to explain its reversal of *Dobbs* and numerous other landmark decisions He reviews strategies the court uses to undermine a previous court's standing without undermining its own He analyzes overrulings across time by type constitutional cases versus statutory and common law cases by the ages of the overturned precedents with changes in the court's membership and through other variables Rountree gives engrossing accounts of pivotal overrulings in the past such as when Lincoln's Treasury Secretary Salmon Chase used the Legal Tender Act in 1862 to raise money for the Civil War then ruled the same law unconstitutional in 1870 when he served as chief justice Rountree retells Thomas Edison's attempt to monopolize the burgeoning film industry which was stopped only when the Supreme Court overturned an earlier patent rights case in 1917 Finally Rountree applies his myriad insights to the politically fraught *Dobbs* case *Overtured* makes a valuable contribution to law rhetoric politics and history and readers interested in the role and function of America's highest

court will find Rountree's account fast paced lively and engaging *Missiles, Space, and Other Major Defense Matters*

## Enjoying the Beat of Phrase: An Psychological Symphony within **Split Decisions**

In a global used by displays and the ceaseless chatter of instantaneous connection, the melodic splendor and mental symphony created by the published word frequently diminish in to the back ground, eclipsed by the relentless sound and interruptions that permeate our lives. However, situated within the pages of **Split Decisions** a stunning fictional value filled with fresh feelings, lies an immersive symphony waiting to be embraced. Crafted by an outstanding composer of language, that interesting masterpiece conducts viewers on a psychological journey, well unraveling the concealed tunes and profound affect resonating within each carefully crafted phrase. Within the depths of this touching analysis, we shall investigate the book is main harmonies, analyze their enthralling publishing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
