 Squatters as Developers? Vinit Mukhija,2017-03-02 In the mid 1990s the state government of Maharashtra introduced an innovative strategy of slum redevelopment in its capital city Mumbai Bombay Based on demolishing existing slums and rebuilding on the same sites at a higher density it is very distinct from the two prevalent conventional strategies with respect to slums in developing countries slum clearance and slum upgrading So why did the slum redevelopment strategy originate in Mumbai and how did it do so What were the key issues in the implementation of such a project This critical volume responds to these questions by closely examining one particular redevelopment project over a period of twelve years the Markandeya Cooperative Housing Society MCHS It analyzes the problems faced and the solutions innovated identifies non traditional issues often overlooked in housing improvement strategies reveals the complexities involved in housing production for low income groups and combines in depth empirical research with historical institutional spatial and financial perspectives to improve our understanding of complex urban development processes Squatters as Developers? Vinit Mukhija,2000 *Hong Kong Public and Squatter Housing* Alan Smart,Fung Chi Keung Charles,2023-05-09 In Hong Kong Public and Squatter Housing Geopolitics and Informality 1963 1985 Alan Smart and Fung Chi Keung Charles trace two decades of development of squatting in Hong Kong The authors reconstruct the government policy on squatting through both ethnographic and archival research The book sheds new light on the consequences of various attempts to control encroachment on scarce urban space It argues that intersecting policy agendas resulted in decisions that were often not desired but which emerged as practical solutions from prior failures The authors address the challenges of explaining confidential policy decisions and offer new approaches applicable in other contexts Overall Smart and Fung make an important contribution to the understanding of how public housing and squatting interacted in influential ways that have been poorly understood and offer new perspectives on the challenges of urban governance and housing problems The definitive history of how resettlement policies evolved as the squatter population swelled and as London and Beijing moved closer to signing the 1984 Sino British Declaration A masterful combination of theorizing and documentary sleuthing a landmark in contemporary debates over the optimal responses to the formalization of informal property Deborah Davis Yale University Smart and Fung offer a fresh and thought provoking analysis of the changing state society relations in the postwar decades by unravelling the complexities of Hong Kong s urban landscape through their critical analysis of the question of informality and the issue of squatting Lui Tai Lok Education University of Hong Kong Employing ethnography and combing through archives Smart and Fung uncover how the British formalized squatter housing Highlighting questions of sociopolitical and historical change by analyzing bureaucratic and geopolitical forces a fascinating project delving into the nature of colonial rule immigrant resilience and political economic structures A major contribution to evidence based settler colonial studies Setha Low City University of New York **Kenya National Assembly Official Record (Hansard)**
