## **Squeaky Clean Comedy:**

Squeaky Clean Comedy Judy Brown, 2005 Squeaky Clean Comedy is a wide ranging rundown of sidesplitting observations from the comedians we've loved throughout the television age No four letter words used here just pure untainted amusement Unpolluted witticisms from the likes of Jay Leno Bill Cosby David Letterman Rita Rudner Bob Hope Conan O'Brien Jerry Seinfeld Johnny Carson Joan Rivers Jon Stewart even classic jokesters such as Rodney Dangerfield and Henny Youngman are included Clean comedy topics are easy to find as they are arranged alphabetically from Accidents to Zoos The spotlessly clean jokes include Never pick a fight with an ugly person They've got nothing to lose Robin Williams I asked What is this blended coffee And the waiter said Yesterday and today's Phyllis Diller It used to be that my age and waist size were the same size Unfortunately they still are Reno Goodale I had my car towed There's nothing wrong with it that was just cheaper than buying a tank of gas Jay Leno A penny saved is worthless Dave Barry They usually have two tellers in my local bank Except when it's very busy when they have one Rita Rudner When it comes to laughs no one can deliver faster than Judy Brown the editor of five successful joke collections including Joke Soup Joke Stew The Funny Pages Jokes to Go and the recently released She's So Funny

**Writing Comedy , The Importance of Being Funny** Al Gini, 2017-07-25 When E B White said analyzing humor is like dissecting a frog few people are interested and the frog dies he hadn't seen Al Gini's hilarious incisive and informative take on jokes joke telling and the jokers who tell jokes For Gini humor is more than just foolish fun it serves as a safety valve for dealing with reality that gives us the courage to endure that which we cannot understand or avoid Not everyone tells jokes Not everyone gets a joke even a good one But Gini argues joke telling can act as both a sword and a shield to defend us from reality As the late great stand up comic Joan Rivers put it If you can laugh at it you can live with it This book is for anyone who enjoys a good laugh but also wants to know why

Structural Ambiguity in English Dallin D. Oaks, 2010-05-27 Structural Ambiguity in English is a major new scholarly work that provides an innovative and accessible linguistic description of those features of the language that can be exploited to generate structural ambiguities Most ambiguity scholarship is concerned with disambiguation the process of making what is ambiguous clear This book takes the opposite approach as it focuses on describing the features in the English language that may contribute towards the creation of structural ambiguities which form the core of some of the best word plays found in advertising comedy and marketing Oaks utilizes a systematic and comprehensive inventory approach that identifies individual elements in the language and their distinctive behaviors that can be manipulated in the deliberate creation of structural ambiguities In doing so he also provides authentic examples to illustrate the concepts he presents This book will appeal to researchers and academics interested in the structure of the English language usage pragmatics communication natural language processing editing and humor studies as well as those in marketing advertising or humor writing
