The Beech Tree:

The Beech Tree Don Phelan, 2016 *The Beech Tree* introduces you to the lives of those who visited the tree and shared their lives their loves their hopes and dreams beneath the tree's dark green canopy and their curious inexplicable connection to one another The readers are introduced to Johnny and Margo the first characters to visit the tree just before Johnny ships off to fight in The Great War in 1918 We follow Johnny and Margo Johnny's lifelong albeit socially taboo friendship with his friend Bullet Joe Rogan a pitcher in the Negro Leagues Johnny introduces his granddaughter Debby to the tree in 1957 an era of bobby socks roller skating carhops and Elvis music and Debby meets Mason in 1967's Summer of Love just before Mason is drafted to fight in Vietnam For 30 years Debby wonders whatever became of the boy who changed her life Then she finds out Amazon Review Absolutely Fantastic by Rebecca Askew on June 11 2016 Definitely five stars I'd give ten if that were an option The characters were so real I could see myself in each of them The trains the places the philosophy and the tree were so poignant I cried laughed and cried again A truly excellent book This is the kind of book that makes you better for having read it

The Beech Tree Pearl Sydenstricker Buck, 1954 Grandfather was very old and Mary Lou was only eight when he came to live with her family The two of them had long talks and short walks and got along fine so Mary Lou was surprised when her mother got very busy and worried

The Irish Literary Periodical, 1923-1958 Frank Shovlin, 2003 Frank Shovlin examines in detail six Irish literary periodicals that appeared in the first forty years after the partitioning of Ireland The six titles are *The Irish Statesman* 1923-30 *The Dublin Magazine* 1923-58 *Ireland To Day* 1936-38 *The Bell* 1940-54 *Envoy* 1949-51 and *Rann* 1948-53 These journals while not the only examples of the genre in these neglected decades of Irish cultural history make the finest and most influential contributions towards the development of a native Irish literary tradition in the earliest years of both Irish states north and south of the border The manner in which each of the journals was established and run is considered with an emphasis on varying editorial personalities and their impact on each periodical Shovlin emphasizes the common themes of literary realism the ideological struggle between monolithic nationalism and liberal cosmopolitanism and the importance of publishing context in the interpretation of literary works The careers of figures such as Patrick Kavanagh Seán Ó Faoláin Liam Ó Flaherty and John Hewitt are re-examined in the light of their involvement with periodical publication The author concludes with an overview of the progress of the literary periodical in Ireland in the decades after the closure of *The Dublin Magazine* in 1958 This book is an important contribution to recent growing scholarship on the role of literary magazines specifically and history of the book generally both in Ireland and elsewhere
