Tragic Occasions Benjamin Lawrence Reid, 1971      **What World Is This?** Judith Butler, 2022-11-08 The pandemic compels us to ask fundamental questions about our place in the world the many ways humans rely on one another how we vitally and sometimes fatally breathe the same air share the surfaces of the earth and exist in proximity to other porous creatures in order to live in a social world What we require to live can also imperil our lives How do we think from and about this common bind Judith Butler shows how COVID 19 and all its consequences political social ecological economic have challenged us to reconsider the sense of the world that such disasters bring about Drawing on the work of Max Scheler Maurice Merleau Ponty and critical feminist phenomenology Butler illuminates the conditions in which we seek to make sense of our disorientation precarity and social bonds What World Is This offers a new account of interdependency in which touching and breathing capacities that amid a viral outbreak can threaten life itself challenge the boundaries of the body and selfhood Criticizing notions of unlimited personal liberty and the killing forces of racism sexism and classism this book suggests that the pandemic illuminates the potential of shared vulnerabilities as well as the injustice of pervasive inequalities Exposing and opposing forms of injustice that deny the essential interrelationship of living creatures Butler argues for a radical social equality and advocates modes of resistance that seek to establish new conditions of livability and a new sense of a shared world

**Greece in Crisis** Ourania Hatzidaki, Dionysis Goutsos, 2017-07-26 Since its onset the Greek crisis has given rise to an abundance of relevant text and talk This volume offers an insider's view of the discursive manifestations of the crisis focusing on discourses in the Greek language and by Greek social actors The contributions investigate the diverse ways in which the crisis has been communicated to the public by domestic policymakers or debated by elite non elite and resistant participants Crisis discourses are also examined in the light of the rise of neo nationalism and the extreme Right in both Greece and Cyprus All contributions seek to meaningfully combine critical discourse and corpus linguistics perspectives for a better understanding of the Greek crisis as a socio economic episode and as a discourse construct Discourse driven quantification and corpus driven quantification complement each other in the critical examination of textual data as diverse as official government communications party leader speeches newspaper articles public assembly resolutions song lyrics social media commentary and terrorist proclamations

**A Companion to Greek Tragedy** Justina Gregory, 2008-04-15 The Blackwell Companion to Greek Tragedy provides readers with a fundamental grounding in Greek tragedy and also introduces them to the various methodologies and the lively critical dialogue that characterize the study of Greek tragedy today Comprises 31 original essays by an international cast of contributors including up and coming as well as distinguished senior scholars Pays attention to socio political textual and performance aspects of Greek tragedy All ancient Greek is transliterated and translated and technical terms are explained as they appear Includes suggestions for further reading at the end of each chapter and a generous and informative combined bibliography
