## **Transfer Pricing Methods:**

*Transfer Pricing Methods* Robert Feinschreiber, 2004-03-08 Advanced praise for *Transfer Pricing Methods* Feinschreiber and a team of renowned executives have provided the definitive transfer pricing guide to this challenging area. At a time when many companies are reviewing documents, policies and procedures, it's wonderful to have a concise, clearly written reference focused on what may be the most critical corporate tax issue. Charles R. Goulding, Managing Director, Tax, Cooper Industries Inc. It is refreshing to find a treatise on transfer pricing that combines practical business considerations, economic theory and a discussion of technical tax rules in a way that is meaningful not only for large corporate enterprises but also small and medium sized businesses. Vikram A. Gosain, JD, CPA, Director of Transfer Pricing, General Electric Capital Corporation. This well written book will be useful both to attorneys new to the practice area and to older hands. It includes very helpful discussions on valuation issues that will be particularly useful for in house counsel and accountants. Joseph C. Mandarino, Partner, Troutman Sanders LLP. Feinschreiber and his contributors have cogently explained hundreds of useful facets in the transfer pricing field that have taken others volumes to articulate. The busy professional should consider this book in his or her quest for knowledge in the scintillating tax specialty. Charles L. Crowley, Partner, ITS Customs and International Trade Practice, Ernst Young LLP. *Transfer Pricing Methods* should become a standard tool for every owner managed and mid cap multinational. Enrique MacGregor, Principal in Charge, Transfer Pricing Services, Grant Thornton LLP. Bob's vast experience in transfer pricing matters has again been captured between the covers of a book. Thank you Bob and your contributing colleagues for producing another valuable helpmate. Alan Getz, Vice President and General Manager, Tax, Mitsui Co. Inc. U.S.A. Feinschreiber's current publication is a practical handbook that presents transfer pricing tools that can assist tax professionals of mid sized companies to optimize profits, manage cash flows and moderate taxes in a defensible manner. Per H. Hasenwinkle, National Practice Leader, Transfer Pricing, BDO Seidman LLP.
