War-Path and Bivouac, Or the Conquest of the Sioux, Etc John Frederick FINERTY, 1890 **War-path and Bivouac** John Frederick Finerty, 1890 War-path and Bivouac John Frederick Finerty, 1955 **Warpath and Bivouac: Or the Conquest of the Sioux (1890)** John Finerty, 2020-11-22 A very spirited narrative of Indian warfare The Atlantic 1892 One of the best of all the books written upon the Indian troubles Magazine of Western History 1890 One of the most interesting and best written stories Life and Adventures of Frank Grouard Chief of Scouts 1891 Some of the fiercest and bloodiest fighting ever done on our frontier graphically told narrated by one of the active participants N Y Independent 1891 Christened The Fighting Correspondent by famous scout Frank Grouard John Finerty serving as field correspondent of the Chicago Times would on more than one occasion narrowly escape massacre in the four Indian wars he covered including the campaign against Sitting Bull in 1876 and the famous Sibley scouting expedition in the Big Horn mountains As Finerty details in his 1890 book Warpath and Bivouac he endeared himself alike to the officers and men of Crook s command and shared all their dangers and deprivations The journalistic profession has just cause for pride over the conspicuous bravery that characterized this fighting correspondent According to Scout Frank Grouard Finerty importuned him to be permitted to accompany him on every scouting expedition that was organized but not until the starting of the Sibley party did the correspondent have his wishes gratified When Finerty asked to accompany the Sibley party General Crooke warned him that he might get into more trouble than perhaps I anticipated Lieutenant Bourke the asked him what kind of an epitaph I would like him to write for me It turned out these warnings should have been heeded as Finerty would find out Groups of mounted savages appeared on the bluffs north and east of us Most of them were in full war costume My horse stumbled from the shock of the bullet but recovered its feet almost immediately and bore me in safety to the edge of the timber under the rapid Indian fire I could hear their bullets rattling against the pine tree trunks like hail stones on the roof of a barn We could

distinctly hear their savage encouraging yells to each other and Guard said that Sioux and Cheyennes were allied in the attacking force all of whom appeared to be in great glee at the prospect of a scalping entertainment In describing his arranged meeting with Sitting Bull Finerty noted that I have followed Sitting Bull around long enough and now I shall behold the lion in his den in earnest Soon afterward an Indian mounted on a cream colored pony and holding in his hand an eagle s wing which did duty for a fan spurred in back of the chiefs and stared stolidly for a minute or so at me His hair parted in the ordinary Sioux fashion was without a plume His broad face with a prominent hooked nose and wide jaws was destitute of paint His fierce half bloodshot eyes gleamed from under brows which displayed large perceptive organs and as he sat there on his horse regarding me with a look which seemed blended of curiosity and insolence About the author John Frederick Finerty 1846 1908 was a U S Representative from Illinois Born in Ireland Finerty immigrated to the United States in 1864 He enlisted in the Union Army during the Civil War serving in the New York State Militia He was a war correspondent for the Chicago Times in the Sioux War of 1876 in the Northern Indian Sioux War of 1879 in the Ute campaign of 1879 and afterward in the Apache campaign of 1881 He was a correspondent in Washington D C during 1879 1881 He established the Citizen a weekly newspaper in Chicago in 1882 *Warpath and Bivouac* John F. Francisco will be one of the darkest and most disgraceful in our annals Fraud and oppression hypocrisy and violence open high handed robbery and sly cheating the swindling agent and the brutal soldier turned into a brigand buying promotion by pandering to the hate and fears of the settlers avarice and indifference to human life and lust for territory all play their parts in the drama Except the Negro no race will lift up at the judgement seat such accusing hands against this nation as the Indian

Rosebud, June 17, 1876 Paul L. Hedren,2019-04-11 The Battle of the Rosebud may well be the largest Indian battle ever fought in the American West The monumental clash on June 17 1876 along Rosebud Creek in southeastern Montana pitted George Crook and his Shoshone and Crow allies against Sioux and Northern Cheyennes under Sitting Bull and Crazy Horse It set the stage for the battle that occurred eight days later when just twenty five miles away George Armstrong Custer blundered into the very same village that had outmatched Crook Historian Paul L Hedren presents the definitive account of this critical battle from its antecedents in the Sioux campaign to its historic consequences Rosebud June 17 1876 explores in unprecedented detail the events of the spring and early summer of 1876 Drawing on an extensive array of sources including government reports diaries reminiscences and a previously untapped trove of newspaper stories the book traces the movements of both Indian forces and U S troops and their Indian allies as Brigadier General Crook commenced his second great campaign against the northern Indians for the year Both Indian and army paths led to Rosebud Creek where warriors surprised Crook and then parried with his soldiers for the better part of a day on an enormous field Describing the battle from multiple viewpoints Hedren narrates the action moment by moment capturing the ebb and flow of the fighting Throughout he weighs the decisions and events that contributed to Crook s tactical victory and to his fateful decision thereafter not to pursue his adversary The result is a uniquely comprehensive view of an engagement that made history and then changed its course Rosebud was at once a battle won and a battle lost With informed attention to the subtleties and significance of both outcomes as well as to the fears and motivations on all sides Hedren has given new meaning to this consequential fight and new insight into its place in the larger story of the Great Sioux War

Prairie Man Norman E. Matteoni,2015-06-16 One week after the infamous June 1876 Battle of the Little Big Horn when news of the defeat of General George Armstrong Custer and his 7th Cavalry troops reached the American public Sitting Bull became the most wanted hostile Indian in America He had resisted the United States intrusions into Lakota prairie land for years refused to sign treaties and called for a gathering of tribes at Little Big Horn He epitomized resistance Sitting Bull s role at Little Big Horn has been the subject of hundreds of historical works but while Sitting Bull was in fact present he did not engage in the battle The conflict with Custer was a benchmark to the subsequent events There are other battles than those of war and the conflict between Sitting Bull and Indian Agent James McLaughlin was one of those battles Theirs was a fight over the hearts and minds of the Lakota U S Government policy toward Native Americans after Little Big Horn was to give them a makeover as Americans after finally and firmly displacing them from their lands They were to be reconstituted as Christian civilized and

made farmers Sitting Bull when forced to accept reservation life understood who was in control but his view of reservation life was very different from that of the Indian Bureau and its agents His people s birth right was their native heritage and culture Although redrawn by the Government he believed that the prairie land still held a special meaning of place for the Lakota Those in power dictated a contrary view with the closing of the frontier the Indian was challenged to accept the white road or vanish in the case of the Lakota that position was given personification in the form of Agent James McLaughlin This book explores the story within their conflict and offers new perspectives and insights War-Path and Bivouac, Or the Conquest of the Sioux John F. Finerty,2015-07-09 Excerpt from War Path and Bivouac or the Conquest of the Sioux A Narrative of Stirring Personal Experiences and Adventures in the Big Horn and Yellowstone Expedition of 1876 and in the Campaign on the British Border in 1879 It had long been my intention to publish the volume which I now submit to the public The book is as far as human fallibility will permit a faithful narrative of stirring events the like of which can never again occur upon our continent Stories of Indian warfare even when not founded entirely upon fact have ever been popular with people of all nations and more particularly with the American people to whom such warfare is rendered familiar both by tradition and experience These memoirs aim at laying before the public the adventures privations heroism and horrors of our last great Indian wars exactly as they presented themselves to the writer in battle on the march or in bivouac The valor of the American army has never been impugned but millions of our own citizens do not know even yet what privations our brave soldiers endured and what noble sacrifices they made in advancing our banner in the wilderness of the West and in subduing the savage and sanguinary tribes that so long barred the path of progress in our Territories About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
