Summit Chase:

Summit Chase Warren Murphy, Richard Sapir, 2023-09-01 The small African nation of Scambia is in danger and it doesn't even know it. International syndicates want to create a lawless safe haven for well-heeled criminals and Scambia fits the bill perfectly. But they have a problem: the president of Scambia is a dedicated servant of his country. But the vice president isn't. All that's needed is financial backing, good timing, and a little honour among thieves, and this fragile democratic nation will fall. What the criminals won't count on is Remo Williams. Remo is The Destroyer, an ex-cop who should be dead but instead fights for the secret government law enforcement organisation CURE. Trained in the esoteric martial art of Sinanju by his aged mentor Chiun, Remo is America's last line of defence. Breathlessly action-packed and boasting a winning combination of thrills, humour, and mysticism, the Destroyer is one of the bestselling series of all time. [Summit Chase](#) Warren

Murphy, 1998-05-31 The President of Scambia's life is in danger when one sleazy goon schemes to assassinate not only a leader but immobilize and destroy the entire country and transform its peaceful society into a thundering safe haven for international hoods. Master Chiun and his protégé Remo Williams descend on the scene to combat the treacherous plot, but not without a fight. **FOR THE LOVE OF VINES** N. L. Hurtic, 2019-10-15 A young woman approaching her 21st birthday with no known ties to her family or past receives a mysterious phone call from a foreigner who claims to be a relative. Against her better judgement, she follows her intuition and it takes her beyond her familiar town where she had lived all of her life.

way down to the deep south where further events begin to cause her to question her very self and the belief in the things that have always kept her grounded and able to survive on her own. As the story unfolds, the reader accompanies her as she begins to question her very sanity as she fights the spark in a belief in things and possibilities she would rather not face. Helped by a sure-of-himself local who is trying to persuade her to allow their friendship to develop into something more, she finds a small comfort in knowing she has someone to try to make sense of the strange series of events within this coming-of-age story about one young woman who is connected to a place more than she knows.

Hoye's City Directory of Kansas City, 1898 *Union City City Directories*, 1909 **The Mantis** Philip Temple, 2014-03-03 It is not the courage to go back up that we need; it's the courage to go down. Just to go on. In 1977 a British expedition led by Himalayan veteran Geoff Strickland, summiteer of K2 and Everest among others, set off to attempt the first ascent of unclimbed Puthemojar, the Mantis, in the Karakoram, 25,311 feet high, renowned for its difficulty and with a fearsome reputation. The Mantis had claimed the life of at least one climber on each of the previous expeditions that had attempted to scale its complex series of ridges and icefalls. In order to claim the coveted first ascent, Strickland put together a small team comprising the cream of British mountaineering talent, his long-time Himalayan climbing partner, and
