**Summit County** Sandra Mather,Summit Historical Society,2008 In 1859 a group of men from Denver crossed the Continental Divide with the hope of finding gold in the Blue River Valley Their initial success changed the landscape as towns blossomed across the countryside and ranches which provided much needed food were established along the lower part of the valley The arrival of the railroads in 1882 facilitated the movement of people and goods in and out of the area The railroads also made mining operations much more profitable and diminished the isolation of the county s residents Women and children began arriving in greater numbers in the 1880s bringing with them the refinements of the Victorian era The influx of families spurred the establishment of churches libraries social clubs and hospitals and at the same time discouraged gambling drinking and prostitution *HISTORY OF SUMMIT COUNTY* WILLIAM HENRY.
