student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final  
generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has  
overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ s return is  
therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples  
directly from the word of God In God s saving plan for the world everyone must in time make a free will choice to become  
part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way  
Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel  
Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open  
minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as  
both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book  
deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In  
the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus  
mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the  
teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture  
repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant  
also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood

without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that      **Annual Report of the Board of Trustees** St. Croix County Asylum for the Chronic Insane (New Richmond, Wis.).
