

The Contender

Samuel Noah Kramer, John Maier

The Contender:

Thomas at the Crossroads Risto Uro, 1998-10-01 The Gospel of Thomas is one of the most debated early Christian writings. Discovered as a Coptic translation in the Nag Hammadi Library, its date, message, and relation to the canonical gospels have been the subject of much divisive argument. This book offers new perspectives on the gospel and demonstrates the various ways in which it sheds light on the ideological and social history of early Christianity. Expert scholars go to the heart of current issues in Thomasine studies such as the role of oral and written traditions in the composition of the gospel, Thomas' relationship with the Gospel of John and with Gnostic and ascetic tendencies in early Christianity, the gospel's attitude to women followers of Jesus and to Jewish ritual practices. *The Nag Hammadi Library in English* James McConkey Robinson, 1984

Myths of Enki, The Crafty God Samuel Noah Kramer, John Maier, 2020-08-18 This ambitious and well-researched study brings together for the first time translations of the ancient literature concerning the Sumerian god Enki, one of four gods and goddesses who comprised the highest level of the Sumerian pantheon. The very existence of these writings, which date from the Third Millennium B.C., was unknown until about 100 years ago when their cuneiform script was deciphered. Since then, it has become apparent that Sumerian literature had a profound and enduring influence on both Biblical and classical Greek literature and so on the literature of the western world as a whole. Kramer, one of the world's leading Sumerologists, has prepared these translations from among the scores of works he has published over the last fifty years. John Maier provides a full interpretive framework that places the translations in their broader comparative cultural context. This rare collection will be of interest to students and scholars in a wide range of disciplines from Near Eastern and Biblical Studies to Mythology and Comparative Literature.

The Florilegium of Madness D. J. Butler, 2021-07-27 Set in a world established by The Cunning Man, six stories follow Hiram Woolley in the intermountain west of the 1930s as he uses Grandma Hettie's traditional magical lore to battle demons. He discovers an ancient horror that explains an oddity of Utah geography. A deceased Shoshone war leader finds an unappreciated consequence of the Mountain Meadows Massacre. He battles an ancient sorcerer in a secret mountaintop lookout and more. Other stories explore dark and somber themes, including two tales set in the Cthulhu Mythos, the weaving together of ancient Egypt, 1930s Massachusetts, and a future spaceship across time and space. A traveler in the Old West comes to an elaborately bad end. Eight more stories and three essays round out this collection.

The American Shorthorn Herd Book, 1917 **The American Short-horn Herd Book** Lewis Falley Allen, William T. Bailey, 1917

The Facsimile Edition of the Nag Hammadi Codices James M. Robinson, 1984 The collection of thirteen codices found in upper Egypt near Nag Hammadi in 1946 is one of the major archaeological discoveries of our time. Perhaps the library of a Gnostic community in late antiquity, the codices are a repository of important spiritual materials from throughout the ancient world. Hence a thorough analysis of this new material is indispensable for any proper understanding of the history of religions in this period. The rich documentation, which the

codices add to early Coptic text material promises to raise to a new precision the historical analysis of that language This edition presents collotype reproductions in natural size of all folios of the thirteen codices as well as reproductions of the covers and photographs previously taken of fragments that are now lost

The Beloved Disciple in Conflict? Ismo Dunderberg, 2006-04-27 Was the Gospel of John written in critical response to the Gospel of Thomas an early collection of Jesus's sayings Or was it directed to the Christians among whom Thomas originated Ismo Dunderberg challenges these views arguing that the two gospels were written at about the same time but without knowledge of each other He also offers a thorough discussion of the identity and functions of the enigmatic Beloved Disciple in the Gospel of John throwing new light on this figure by comparing it to other beloved disciples of Jesus in early Christian literature This part of Dunderberg's analysis also helps to evaluate the portrayal of Judas in the recently published Gospel of Judas although this text was not yet available when this study was completed
