Previously published as *Pursuing God's Love and Pursuing God's Beauty*. **A Voice from Heaven** Charles J. Wisdom, 2006-10 The Injustice of Noah's Curse Justin Michael Reed, Associate Professor of Old Testament and the Hebrew Bible. Justin Michael Reed, 2025-12-02. This book provides a new literary interpretation of Noah's curse as unjust. Most interpreters acknowledge that in the context of Genesis 9:18-29, Noah's curse of Canaan seems to be an overreaction and off-target, but almost all readers, including ideologically motivated interpreters and modern biblical scholars with no desire to weaponize the curse, presume that a good interpretation should overcome the initial reaction that Noah's curse seems unjust. This book argues the opposite. Reading through the lens of interest convergence from critical race theory and performative utterances from speech act theory, this book proposes that intertextual connections between Genesis 9:18-29 and the stories in Genesis 2-3 show Noah and his actions as an ironic recurrence of the Adam and Eve narrative, and the injustice of Noah's curse serves as a crucial element in this ironic depiction and the primeval history as a whole. Commentary Gary W. Demarest, 1991-05 **Strategic Vision** Frank Damazio, 2013-09-30 Vision is both real and definable Strategic vision combines real and definable factors that when mixed wisely and effectively propels a church forward Strategic Vision provides a clear set of directives and expectations with which an entire church strategy can be framed The first step in forming a strategic vision is for the leader to develop a personal vision This personal vision grows into an all encompassing kingdom vision with every other level of vision between From the foundation of a vision leader all other elements of vision flow Under the Pavilion of God's Protection L. GRUITS- SHEPPARD, 2009-09-01 Under the Pavilion of God s Protection is a precisely researched and solidly written study of God s protection of His Believers Comparable to a day by day devotional Pavilion is a broad in scope Biblical analysis of the Lord s provision of protecting His Saints The work digs deeply into just exactly what is meant by His grace power and righteousness as well as our strength joy freedom comfort and the varied ways in which He protects His own etc too numerous to mention here Peek inside and experience the teaching using the Biblical rank and file and God s hand of guidance sheltering His own The Scriptures colorfully bring to light the situations of life and illuminate the reader s need to understand God s ways in this arena What the Bible Actually Teaches on Women Kevin Giles, 2018-10-19 Kevin Giles has been writing on women in the Bible for over forty years In this book What the Bible Actually Teaches on Women he gives the most comprehensive account to date of the competing conclusions to this question and the issues surrounding it To understand the bitter and divisive debate among evangelicals over the status and ministry of women it needs to be understood that those who since 1990 have called themselves complementarians argue that in creation before the fall God set the man over the woman Thus the leadership of the man and the subordination of the woman in the home the church and wherever possible in the world the whole creation is the God given ideal that is pleasing to God It is this theology that Kevin Giles deconstructs and shows to be without a biblical foundation Giles shows that he is fully conversant with the complementarian position and yet is unpersuaded by it He sees it as an appeal to the Bible to preserve male privilege similar to the appeals to the Bible to validate slavery and Apartheid appeals to the Bible made by some of the best Reformed and evangelical biblical scholars and now seen to be special pleading Carefully studying the limited number of texts on which complementarians predicate their theology of the sexes Giles finds not one of them actually teaches what complementarians claim Furthermore complementarians too often ignore the texts that are very difficult for them In this book the ordination of women gets only passing mention The constant focus is on whether or not the Bible subordinates women to men as an abiding theological principle **The Journal of the Ancient Near Eastern Society** Ancient Near Eastern Society (New York, N.Y.), 1998 **Righteousness, Volume 2** Jeffrey J. Niehaus, 2023-10-19 The second volume of this three volume work exegetes and comments on every occurrence of the Hebrew terms for righteousness in the Old Testament It begins with a discussion of apperception and deductive method and concludes with an afterword on righteousness and ontology The ontological argument affirms that God s aseity is the foundation of righteousness in the Bible

and thus of all true righteousness Righteousness is being true to God and God is always true to himself including in his self existence Other terms in the righteous word group such as righteous and justify are considered along with the important word pair righteousness and justice in semantic domain studies in the first three chapters Semantic domain studies show that terms like upright blameless and good are qualifiers of righteousness Whatever the flavor or nuance of the terms for righteousness may be in different OT contexts however study shows that the underlying sense of righteousness is conformity to God s Being and doing and the same is true of the righteousness of God
