The Official Guide Book to Philadelphia Thompson Westcott, 1875 Parables and Instructions in the Gospels Heinrich Kahlefeld, 1966 Separates the various historical layers that have grown over the original message and seeks to lay bare the core of the teaching of Jesus By a close comparison of the different narratives as presented by the Gospels the author unveils both the meaning of a given parable in a particular evangelist's account and the dominant theme of all the parables This fundamental theme is not personal moral perfection but the preparation for the consummation of Jesus work in the judgment of the Last Day In this way through the parables there is imparted a knowledge of Jesus and an impression of the depth and clarity of His knowledge of God which may not be compared with more facilely won knowledge in its ability to touch and even shake man's spirit

The Publishers' Trade List Annual, 1884 **Journal of Biblical Literature**, 2008 **The Annual**

American Catalogue Cumulated 1900-1901 ,1902 **Scripture Bulletin** ,2007 **All the Parables of Jesus** David M. Brown,2012-07 Like yeast parables are explosive stories of Jesus that invade our lives and transform us into citizens of the kingdom of God But they are also cryptic and that s where this book is useful More than an explanation or interpretation of each parable this definitive work is primarily an exercise in hermeneutics In it readers are taken through a process of discovering which sayings of Jesus are parables problematic questions related to counting and categorizing them and Jesus rationale for speaking in parables The work then analyzes four distinct ways that parables are structured and three levels at which they do their work in us The final chapter presents parable related hermeneutical guidelines and the book ends with seven extensive Appendices and two Indexes It is a must read for every biblical scholar
