

# THE PRINCIPLES OF RIDING

---

Germany has won more championship medals in equestrian competitions than any other country in the world. This success is largely due to the riders and teachers receiving a thorough training based on a clear system. The German National Federation has produced a series of books explaining the system, and they are considered essential literature for riders and instructors training in Germany. This is the first English-language edition of Book 1 in the series.

'I am quite sure that we shall all be able to learn a great deal from this book.'
