The Four Witnesses:

Four Witnesses Rod Bennett, 2009-09-03 What was the early Church like Contrary to popular belief Rod Bennett shows there is a reliable way to know Four ancient Christian writers four witnesses to early Christianity left us an extensive body of documentation on this vital subject and this book brings their fascinating testimony to life for modern believers With all the power and drama of a gripping novel this book is a journey of discovery of ancient and beautiful truths through the lives of four great saints of the early Church Clement of Rome Ignatius of Antioch Justin Martyr and Irenaeus of Lyons A treasure The early Church and its teachings come to life in this story Did the first Christians believe what you believe Buy this book read the words of the early Church Herself and fall in love with the historic Church that Christ Himself founded David Currie Author Born Fundamentalist Born Again Catholic Rod Bennett has immersed himself in the fascinating writings of four early Fathers of the Church and has made the discovery from reading them that sincere and attentive readers of them ought to make The author s imaginative account of these four great Church Fathers is not only an excellent introduction to their work it is a convincing rendering of what the early Church must really have been like This is an important new contribution to Christian apologetics Kenneth Whitehead Author One Holy Catholic and Apostolic [The Four Witnesses](#) Robin Griffith-Jones, Jesus 2000 Ltd., 2001-04-03 Who Do You Say I Am Four Witnesses Offer Strikingly Different Testimony to the Life and Death of Jesus Bringing the stories of Jesus to life for the contemporary reader Robin Griffith Jones revives the original power and intent of each of the four gospels He presents a lively discussion of how and why each gospel was written considering the substance and style of the testimony itself as well as the unique context of each story Mark s gospel tells the rebel s story of Jesus as a failed revolutionary whose mission mysteriously succeeds For the rabbi Matthew Jesus is the long awaited fulfillment of Jewish expectation For Luke Jesus is a heroic compassionate social revolutionary who confidently and mercifully dies on behalf of all humanity John s gospel is a mystic s interpretation of the divinity of Jesus told in powerful poetic language Who do you say I am Each gospel offers its own answer to Jesus question influenced by the context of its writing and the personality of its writer All four gospels taken together provide what one alone could not a remarkably full and compelling presentation of Jesus and his message **Four More Witnesses** Rod Bennett, 2021-12-05 Here is the long awaited sequel to Rod Bennett s *Four Witnesses* *The Early Church in Her Own Words* a page turning spiritual adventure following the lives and words of Clement of Rome Ignatius of Antioch Justin Martyr and Irenaeus of Lyons *Four More Witnesses* invites readers to enter again the world of the early influential Christian writers this time meeting Hermas Clement of Alexandria Hippolytus and Origen What did these witnesses have to say on the necessity of baptism What did they think of eternal security and confessions to Church elders What about Mary and her role in salvation history Christian writers addressed all of these questions and many more in the decades following the Apostles an era when even the Creed was still a work in progress Like *Four Witnesses* *Four More Witnesses* is a moving chronicle of the Christian Church in

the flower of her youth The Four Witnesses Isaac da Costa,1851 **The Four Witnesses** Isaac da Costa,1855 *The Four Witnesses: Being a Harmony of the Gospels on a New Principle. By Dr. Isaac Da Costa ... Translated [from the Dutch] by David Dundas Scott ,1851* *The Four Witnesses* Modise Tlharesagae,2024-02-27 The four witnesses are like unto men standing by the way side doing word of mouth publicity They will keep narrating the same things in myriad forms For they cannot say their words as they did before but they would narrate facts as they happen to them So the four writings of the gospel of Jesus Christ are like that Each man wrote what he saw as he remembered it Not as it happened but way later so both time and chance played a serious role in their contradictions and agreements But at the end of it all they all say they saw Jesus and he walked among them That is enough evidence to move us to follow him to the cross And when we reconcile the evidence brought about by the four books they are all centered on the fact that he did work the miracles and he did live among them and he did teach a certain way and he said to them he is going ahead to prepare us a place **The Four Witnesses** Isaac da Costa,2000 The Four Witnesses Isaac da Costa,2004-01-01 *The Four Witnesses* Robin Griffith-Jones,Jesus 2000 Ltd.,2000-04-05 The gospels of Mark Matthew Luke and John are arguably the most important and influential books in Western history Their accounts of Jesus do not simply add up to The Greatest Story Ever Told but The Four Greatest Stories Ever Told Why do they present such strikingly different versions of the same events As the great filmmaker Akira Kurosawa demonstrated in his epic movie Rashomon different witnesses can quite honestly remember the same event in very different ways Now Oxford New Testament scholar Robin Griffith Jones shows how the four gospels testify authentically yet very distinctly to Jesus life death and message Jesus himself asked Who do you say I am If his question has ever intrigued you if it has ever just caught your imagination then this book has been written for you In *The Four Witnesses* Robin Griffith Jones brings the stories of Jesus to life for the contemporary reader as he revives the original power and intent of the gospels of Mark Matthew Luke and John as individual witnesses He presents a lively discussion of how and why each of the four gospels was written considering the substance and style of the testimony itself as well as the unique context of each story Rather than entering into the current historical Jesus debates he offers a fresh reading of the texts with new questions in mind the same questions often highly personal that each Gospel writer sought to address in his own work For them as for us Jesus presented a enigmatic challenging figure By seeking insight into the mystery of his life and work they hoped to find a new way to see the world and to understand our relationship with God Who do you say I am Each gospel offers its own answer to Jesus question influenced by the context of its writing and the personality of its writer By examining the distinct light shed by each gospel writer on Jesus life work and death readers can discover which perspective speaks most clearly to their own needs hopes and fears and decide how to respond to Jesus challenge Most importantly they can encounter in all four gospels taken together what one alone could not provide a remarkably full and compelling presentation of Jesus and his powerful message The Four Witnesses David Dundas Scott,Isaac Da Costa,Rober Carter and Brothers,2015-02-20 This
