The Prodigal Ones:

The One Ronny Russell, 2013-12 The parable in Luke 15 1 7 can be seen from three angles The dilemma of the shepherd is whether or not to leave the ninety nine and go in search of the one lost sheep It may not make sense economically and rationally but he leaves them anyway and begins his search The poor sheep has wandered away and is lost not hopelessly so but lost The sheep does have hope and it rests with the shepherd whose love for her is so vast and so relentless that he won't rest until he finds the sheep And then there's the ninety nine Their attitude and behavior toward the lost sheep is paramount in the story Will they join in the search Will they celebrate with the shepherd once the sheep is returned Or will they criticize and whine about how the shepherd spends all his time searching for the one who is lost The One explores the foundational nature of this parable and how important its implications are for the church and one's own walk with the Lord The value that God places on the one is life changing for those who come to understand it An intense and powerful vision shared through the lens of author Ronny Russell's personal and professional spiritual journey Authenticity is found in every paragraph that rings with empowering truth inspiration and encouragement for the one I have watched Ronny's journey for decades and found his passion to be deep contagious and transformational for the one and the remnant who seek meaning in our fast paced world filled with churches that often miss the one to preserve the institution Ronny serves Christ above all and finds hope in God's calling and gifting as a member of the body of Christ Truly a worthy and engaging read Edward Hammett author of *Spiritual Leadership in a Secular Age* and *Recovering Hope for Your Church* *The Prodigal Ones* Mark Alan Colety, 2000-12 Explosive Set in California during the first Gulf War this novel follows the toxic misadventures of Eliot James from a college campus in San Jose to the streets of Chicago as he wavers between self realization and self destruction on his journey to become a great jazz musician Provocative Lost in a world of moral ambiguity and spiritual disenchantment Eliot struggles not to lose his sanity or his soul to the inexhaustible carousing of his reckless friends Sophisticated Torn between two loves and two lives Eliot is faced with trust and betrayal fate and chance new passions and disappearing dreams Sexy Read the novel people are calling an exciting mix between *Fear and Loathing in Generation X* *The Publishers Weekly*, 1911 **One Hundred Revival Sermons and Outlines**, 1906 **Won by One** Barry Blackstone, 2025-06-06 *Won by One* is the evangelistic book of an author who has been leading people to a saving knowledge of Jesus Christ since 1970 His desire to spread the gospel good news of Christ has taken him to far off and distant places and just next door In this book he reveals not only the one by one approach to evangelism but that God seeks individuals from all races cultures and people groups This biblical search was inspired by verses in Revelation about a day coming when all God's children will gather around the Throne of the Almighty And they sung a new song saying Thou art worthy to take the book and to open the seals thereof for thou wast slain and hast redeemed us to God by thy blood out of every kindred and tongue and people and nation After this I beheld and lo a great multitude which no man could number of all nations and kindreds and people and tongues stood before

the throne and before the Lamb clothed with white robes and palms in their hands Revelation 5 9 7 9 The words every and all mean group will be left out Won by One offers fifty illustrations of different biblical races which God lead or from which God directed another individual to bring a representative of a race into the family of God This is why the Lord has tarried all these years to reach the last people group with the gospel *The Prodigal's Holiday Hope* Jill Kemerer,2021-10-26 He s learned from his mistakes But can he prove he s changed When Sawyer Roth is hired to work on his childhood ranch he knows he has a damaged reputation to repair Tess Malone the new ranch owner s daughter is the hardest to win over But as Christmas approaches Tess and her toddler son find a way into Sawyer s heart He lost everything the last time he put his trust in love Can he risk it all again From Love Inspired Uplifting stories of faith forgiveness and hope Wyoming Ranchers Book 1 The Prodigal s Holiday Hope Book 2 A Cowboy to Rely On **Prodigals Once** Joanna Alonzo,2022-07-05 One play Four women One Almighty God A surprise pregnancy and the loss of her company forces Serene Stone home When a smear campaign against her adds to the pressure her marriage is put to the test Jenna Owens is a failure as a pastor s wife she s sure of it When everyone she depends on crumbles around her who then can she run to for assurance When unexpected violence threatens her husband s life Nova Grant tries to keep a brave face but her faith is shaken and she s not sure how long it will stand Rachel Petersen has dreamed of marriage all her life but caught in the midst of her fianc a church split a mother who is breaking down and the challenges everyone is going through is it bad to enjoy planning her own wedding Four women in different stages of their lives come together to produce a play seeking to bring peace where it can t be found In the process they come to the full realization of God s grace in their lives as they realize they are no longer prodigals They were prodigals once Never again *International Sunday School Evangel* ,1900 *The Evangelical Herald* ,1914 *The Athenaeum* ,1909 **The Church** ,1860 **From One Medium to Another** Paul A.
