*The Prodigal Project - Numbers* Ken Abraham, Daniel Hart, 2003 THE PRODIGAL PROJECT is a stunning new series in the mould of LEFT BEHIND from New York Times best selling author Ken Abraham Setting out from a similar premise as Left Behind but with a more subtle and intriguing interpretation The Prodigal Project follows the lives of key individuals in the rapidly changing new world order Each will face personal trials and challenges to their preconceptions beyond their imagining and several surprises lie in store There will be seven books in the series Book Three Numbers is released in December 2003

*The Prodigal Project* Cathy Kirkpatrick, 2000 *The Worship Mall* Bryan Spinks, 2010-07-15 Religion is in competition with the leisure and entertainment industries The postmodern generation is open to spirituality but young adults have not been born into faith communities that embrace them fully and command their allegiance over a lifetime Studies suggest that for the young belief in God is an optional matter a consumer choice and different trends in contemporary worship and worship styles are offered by churches to suit personal taste What is in these trends that might appeal to Gen Y Are they worship or something other than worship Bryan Spinks invites you to walk through The Worship Mall and see what is on offer in the postmodern culture

**Disaffiliating Ministry** Gregory Baker, 2019-08-23 This book explores the shifting role of the minister in light of the experiences of college men in the United States Young men frequently struggle to know what it means to be a man and doubt that churches can supply the meaning and direction for which they hunger These men are not necessarily lost but they do need a certain kind of spiritual accompaniment that is likely to push many ministers outside of postures and practices with which they have grown comfortable This interdisciplinary work draws together feminist and masculinist theories contemporary practices in campus ministry recent literature on religious deconversion and individual interviews with college men in order to argue for new ways amid the practice of ministry This work invites ministers to become more apophatic to grow comfortable with moving away from clarity and to adopt ungrasping postures of ministry that attend to the unfolding theology of the individual This repositions campus ministers to support young adults from a range of spiritual commitments Disaffiliating Ministry invites

ministers to eliminate wasteful ministerial habits to explore new ministry practices and to enjoy the freedom of accompanying young men in processes of leaving behind attitudes and actions that cease to be life giving while deepening in faith courage and responsibility for others     The Prodigal Project Ken Abraham, Daniel Hart, 2003 THE PRODIGAL PROJECT is a stunning new series in the mould of LEFT BEHIND from New York Times best selling author Ken Abraham Setting out from a similar premise as Left Behind but with a more subtle and intriguing interpretation The Prodigal Project follows the lives of key individuals in the rapidly changing new world order Each will face personal trials and challenges to their preconceptions beyond their imagining and several surprises lie in store There will be seven books in the series Book Two Exodus is released in December 2003     Books Out Loud ,2007     **ThirdWay** ,2001-05 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture     **Book 1-book 4, chapter 3** Adam Smith, 1904     **ThirdWay** ,2002-10 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture     **ThirdWay** ,2001-02 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture     **American Book Publishing Record** ,2005     **ThirdWay** ,2001-07 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture     **The Publishers Weekly** ,1911     **A dictionary of daily blunders, by the author of 'A handy book of synonyms'.
