Time Of Gifts:

A Time of Gifts Patrick Leigh Fermor, 2005-10-03 It was the journey of a lifetime after which neither Leigh Fermor nor tragically Europe would ever be the same and out of it came a work of literature that is as ambitious and absorbing as it is without peer The young Leigh Fermor had a prodigious talent for friendship keen powers of observation and the courage of an insatiable curiosity raw material from which he later fashioned a book that is a story of youthful adventure an evocation of a now vanished world and a remarkable unfolding of the history and culture of Central Europe Taking in not just haylofts but mountain heights country houses as well as cottages with stops along the way in the great cities of Hamburg Munich Vienna and Prague A Time of Gifts is an evocation of people and places and one of the glories of modern English prose BOOK JACKET

Patrick Leigh Fermor: An Adventure Artemis Cooper, 2013-10-15 Patrick Leigh Fermor's enviably colorful life took off when in 1934 at the age of eighteen he decided to walk across Europe In just over a year he had trekked through nine countries and taught himself three languages

and his enthusiasm and curiosity for every kind of experience made him equally happy in caves or country houses among shepherds or countesses At the outbreak of war he left his lover Princess Balasha Cantacuzene in Romania and returned to England to enlist Commissioned into the Intelligence Corps he became one of the handful of Allied officers supporting the Cretan resistance to the German occupation In 1944 he commanded the Anglo Cretan team that abducted General Heinrich Kreipe and spirited him away to Egypt A journey to the Caribbean stays in monasteries and explorations all over Greece provided the subjects for his first books It was not until he and his wife had moved to southern Greece that he returned to his earliest walk In these books which took many years to write he created a vision of a prewar Europe which in its beauty and abundance has never been equaled Artemis Cooper has drawn on years of interviews and conversations with Leigh Fermor and his closest friends and has had complete access to his archive Her beautifully crafted biography portrays a man of extraordinary gifts no one wore their learning so playfully nor inspired such passionate friendship
