**The Road to Soweto** Julian Brown, 2016 Conclusion Consequences Bibliography Index Umrabulo, 2003 **Baragwanath Hospital, Soweto** Simonne Horwitz, 2013-09-01 Baragwanath Hospital Soweto illustrates how this rapidly growing underfunded but surprisingly effective institution found the niche that allowed it to exist to provide medical care to a massive patient body and at times even to flourish in the apartheid state The book offers new ways of exploring the history of apartheid apartheid

medicine and health care The long history of Chris Hani Baragwanath Hospital its full current name or Bara as it s popularly known has been shaped by a complex set of conditions Established in the early 1940s Bara stands on land purchased by the Cornish immigrant John Albert Baragwanath in the late nineteenth century He set up a refreshment post trading store and hotel on the site in what is now Soweto which was a one day journey by ox wagon from Johannesburg The hotel became affectionately known as Baragwanath Place the surname is Welsh from bara meaning bread and gwenith meaning wheat The land was then bought by Corner House Mining Group and later taken over by Crown Mines Ltd but was never mined The British government bought the land in the early 1940s to build a military hospital but by 1947 Baragwanath ceased to operate as a military hospital and under the auspices of the Transvaal Provincial Administration a civilian hospital was opened with 480 beds Patients were transferred from the non European wing of the Johannesburg General Hospital in the white area of Johannesburg Links were immediately forged with the University of the Witwatersrand and Bara would over time become one of its largest teaching centres This link brought medical students and their teachers into direct contact with apartheid in the medical sphere This book will contribute to studies of the history of apartheid that have begun to provide a more nuanced account of its workings The history of Baragwanath and of the doctors and nurses who worked there tells us much about apartheid ideology and practice as well as resistance to it in the realm of health care *The Big Issue, Cape Town*, 2005 Annual Review of Islam in South Africa, 2000 **Apartheid's Friends** James Sanders, 2006 Very little has been written about the South African secret intelligence but revelations to the Truth and Reconciliation Commission and the new culture of confessions now make that possible James Sanders has gathered classified documents and interviewed ex operatives since 1997 and has pieced together an extraordinary unsavoury picture of the Intelligence Service both inside South Africa and overseas He reveals evidence of state sponsored murder not only to intimidate the ANC but also to allow hard men within the police and the armed forces to let off steam He reveals that Republican political candidates in the US were assisted in elections against anti Apartheid Democrats He shows that South Africa supplied Argentina with weapons during the Falklands War and that Harold Wilson s surprising outbursts when he claimed that South African intelligence agents were trying to bring down his government were based on hard evidence At operational level South African Intelligence had intimate links with counterparts in the CIA British Intelligence and other agencies worldwide **Apartheid s Friends** not only provides an insight into a dark area of South Africa s past it is also an important contribution to the international history of secret service *Nosweek*, 2005 Fit to Govern Ronald Suresh Roberts, 2007 Known as a fearless writer Ronald Suresh Roberts explores the President s intellectual traditions and elaborates on the central ideas out of which Mbeki and the ANC are governing South Africa *Fit to govern* examines the difficult issues e g Zimbabwe HIV AIDS neo colonialism that have faced President Thabo Mbeki and casts fresh light on Mbeki s logic With his wide knowledge of history politics literature and debates in South Africa s media and having had unprecedented access to the President himself

Roberts is uniquely placed to write with authority about the President His book places the President and South Africa in a global context recognises the many challenges that inform government and celebrates South Africa s ongoing transformation
