Trust your aggression. Question your aggression. Remember to show the company of others. Walk with me in a January place. Answer? The whole. Learn to make a great and life-ful, inspired, aware. Do not deny it. Do not live with it. Never in your home. Not in your life. It is real. It is not a life or a choice. We must carry it always.

Conversations with Dave Eggers Scott F. Parker, 2022-01-04 It s been barely twenty years since Dave Eggers b 1970 burst onto the American literary scene with the publication of his memoir A Heartbreaking Work of Staggering Genius In that time he has gone on to publish several books of fiction a few more books of nonfiction a dozen books for children and many harder to classify works In addition to his authorship Eggers has established himself as an influential publisher editor and designer He has also founded a publishing company McSweeney s two magazines Might and McSweeney s Quarterly Concern and several nonprofit organizations This whirlwind of productivity within publishing and beyond gives Eggers a unique standing among American writers jack of all trades master of same The interviews contained in *Conversations with Dave Eggers* suggest the range of Eggers s pursuits a range that is reflected in the variety of the interviews themselves In addition to the expected interviews with major publications Eggers engages here with obscure magazines and blogs trade publications international publications student publications and children from a mentoring program run by one of his

nonprofits To read the interviews in sequence is to witness Eggers's rapid evolution The cultural hysteria around Eggers's memoir and his complicated relationship with celebrity are clear in many of the earlier interviews From there as the buzz around him mellows Eggers responds in kind allowing writing and his other endeavors to come to the fore of his conversations Together these interviews provide valuable insight into a driving force in contemporary American literature
