Tiny Parents:

Tall Tales for Little People Lynn Cooper,2023-03-15 Tall Tales for Little People is a fun read for children revealing some interesting characters caught up in a number of strange and sometimes scary situations There are laughs along the way and then some other things that just make you scratch your head and wonder if things like that could really happen Each story is written to entertain while also giving a valuable life lesson at the end These stories come from the mind of this old grandfather who when he was a little boy sat on his uncle s country porch listening to other tall tales from long ago Come along and meet some very interesting individuals and get ready for a good laugh or for the hair to rise up on your noggin and your eyes grow big as you pull the covers up close under your chin in the dark

The Tiny Parents Ellen Weiss,Mel Friedman,1989 When an experiment goes wrong and their inventor parents shrink until they are only two and one half inches tall it s up to twelve year old Marie and nine year old Eddie to figure out how to get them back to normal

We Can Do It Michael T. Gengler,2018-08-21 This book tells of the challenges faced by white and black school administrators teachers parents and students as Alachua County Florida moved from segregated schools to a single unitary school system After Brown v Board of Education the South s separate white and black schools continued under lower court opinions provided black students could choose to go to white schools Not until 1968 did the NAACP Legal Defense Fund convince the Supreme Court to end dual school systems Almost fifty years later African Americans in Alachua County remain divided over that outcome A unique study including extensive interviews We Can Do It asks important questions among them How did both races without precedent work together to create desegregated schools What conflicts arose and how were they resolved or not How was the community affected And at a time when resegregation and persistent white black achievement gaps continue to challenge public schools what lessons can we learn from the generation that desegregated our schools

The Breakup Artists Adriana Mather,2024-06-04 Adriana Mather New York Times bestselling author of How to Hang a Witch brings her signature wit wild imagination and all the feels to her new YA novel The Breakup Artists perfect for fans of Jennifer E Smith s The Statistical Probability of Love at First Sight August and Valentine seventeen year old best friends run a business called Summer Love Inc They hire themselves out to unhappy parents whose kids are in bad relationships adopting fake identities and going undercover to break up these relationships by any means necessary Valentine the brains of the operation believes that they re making the world a better place by steering people away from a relationship precipice so they can someday find true love But for August every case is personal another chance to prove that true love doesn t exist He blames his sister s manipulative boyfriend for her death and unlike Valentine he doesn t believe in soulmates No he thinks the idea of falling head over heels is ridiculous at any age But then August meets Ella who suddenly turns everything he thought he believed about love upside down The problem is that she s their new case which means that everything he s told her about himself is a lie including his name
