

## STEP 2

Using the lines as guides, draw the legs and arms. Create a grid on the face—it'll help you when you add the facial characteristics later.

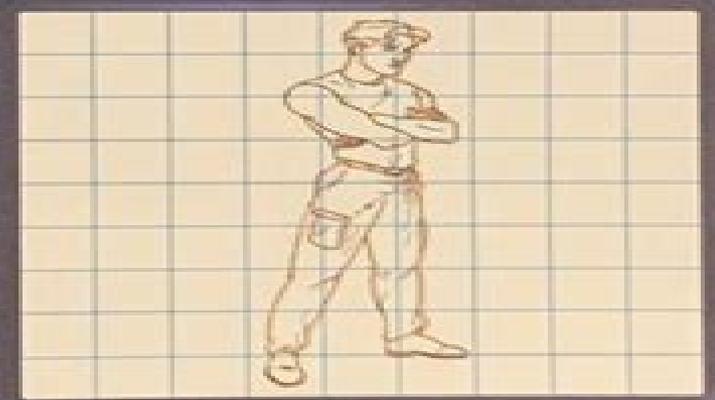

## STEP 3

Now draw some circles where Cale's arm muscles will go. Use the lines on the face to position the eyes, nose, and mouth. Add the hair and the pocket on the pants.

## STEP 4

Erase all of the unnecessary lines. This will give you a clear outline of Cale's arms, head, and pants. Add the details in the clothes and shoes.

## STEP 5

Time to add the finishing touches. When you are finished with your drawing and are satisfied with the results, finish in ink. Then, erase all of the pencil lines. You've just created Cale Tucker. Good job!
