Tito A Biography:

Tito, 2010 **Tito: a Biography** Phyllis Auty, 1974 **Tito** Geoffrey Swain, 2010-11-30 Josip Broz Tito was a remarkable figure in the history of Communism the Second World War the Balkans and post war Eastern Europe He was the only European besides Lenin to lead a successful Communist revolution and became one of the most renowned Communist leaders of all time For a certain generation he was remembered as someone who stood up to both Hitler and Stalin and won Tito was above all else a communist and was devoted to the communist cause until the day he died What made him different from other communist leaders was that his early experience of Soviet Russia had given him sufficient knowledge of the Soviet experiment to be wary of its spell In this the first post communist biography of Tito the acclaimed historian Geoffrey Swain paints a new picture of this famous figure focusing primarily on his Communist years It will be essential reading for anyone interested in Communist and Eastern European history **Tito** Phyllis Auty, 1972 *Tito* Predrag J. Marković, Veselinka Kastratović Ristić, 2022 *Tito* Geoff Swain, 2010 Introduction Chapter 1 The Making of a Yugoslav Revolutionary Chapter 2 Learning to Implement the People s Liberation Struggle Chapter 3 Revolution through War Chapter 4 Revising Marxism Leninism Chapter 5 The Khrushchev Decade Chapter 6 Reforming Communism Chapter 7 Actually Existing Self Management Conclusion Bibliography [Tito a Short Biography](#) Predrag Marković, **Tito** Jasper Ridley, 1996 Tito was the last survivor of the great allied leaders of WW2 But when he died in May 1980 he was far from being a figure whom the march of history had passed by This is an absorbing biography which contains a wealth of detail on Tito [Josip Broz Tito, a Pictorial Biography](#) Fitzroy Maclean, 1980 A biography tracing his career from wandering laborer through President and senior statesman of Yugoslavia **Tito--Yugoslavia's Great Dictator** Stevan K. Pavlowitch, 1992 This new biography offers a straightforward balanced approach to the man who reigned over Yugoslavia for thirty five years Stripping away the myths about Tito and his life Stevan Pavlowitch places him within a larger perspective as a key twentieth century European leader Pavlowitch begins with an examination of the economic social and national factors that helped to create Josip Broz Tito He goes on to consider Tito s role as a national unifier after the chaos of the Second World War demonstrating how Tito brought Yugoslavia together by offering something to each of the country s constituent ethnic communities While admitting that Tito remains something of a mystery because the important mechanisms of his regime always functioned behind closed doors Pavlowitch reconciles the various contradictory versions of Tito s life and policies as a ruthless revolutionary and an imaginative statesman as a successfully dogmatic hard liner and a triumphant heretic as a good disciple of Soviet Stalinism and the force behind a Yugoslav style Marxism According to Pavlowitch the seeds of Tito s long term failure lay in his short term successes and the style and substance of his regime provided little more than transient unity This study of one of the most influential leaders of the twentieth century and one of the least understood is especially valuable today since the collapse of communism and the breakup of Yugoslavia have called into question Tito s motives directions and achievements

General readers and students alike will find it a stimulating guide to the historical continuity of Eastern Europe and the situation there today **Tito** Fitzroy MacLean,2011-10-01 *Marshal Josip Broz Tito* Charles River Charles River Editors,2017-01-24 Includes pictures Includes Tito s own quotes about his life and career Includes online resources and a bibliography for further reading Includes a table of contents No country of people s democracy has so many nationalities as this country has Only in Czechoslovakia do there exist two kindred nationalities while in some of the other countries there are only minorities Consequently in these countries of people s democracy there has been no need to settle such serious problems as we have had to settle here With them the road to socialism is less complicated than is the case here Tito The World War II era produced many leaders of titanic determination men whose strengths and weaknesses left an extraordinary imprint on historical affairs The struggle between massively divergent ideologies exacerbated by huge social changes affected by the world s technological metamorphosis into the machine age catapulted some individuals unexpectedly onto the world stage Josip Broz Tito better known to history as Marshal Tito was undoubtedly one of these figures Originally a machinist Tito leveraged his success in the Communist Party of Yugoslavia CPY and a number of extraordinary strokes of luck into dictatorial rule over Yugoslavia for a span of 35 years World War II proved the watershed that enabled him to secure control of the country leading an ever more powerful army of communist partisans against both the Germans and other Yugoslav factions During the war SS leader Heinrich Himmler himself begrudgingly stated He has really earned his title of Marshal When we catch him we shall kill him at once but I wish we had a dozen Titos in Germany men who were leaders and had such resolution and good nerves that even though they were forever encircled they would never give in During his reign Tito managed to quash the intense national feelings of the diverse groups making up the Yugoslavian population and he did so through several methods He managed to successfully play the two superpower rivals the United States and Soviet Union off against each other during the Cold War and in doing so he maintained a considerable amount of independence from both even as he additionally received foreign aid to keep his regime afloat All the while he remained defiant once penning a legendary letter to Joseph Stalin warning the Soviet dictator To Joseph Stalin Stop sending people to kill me We ve already captured five of them one of them with a bomb and another with a rifle If you don t stop sending killers I ll send a very fast working one to Moscow and I certainly won t have to send another Never afraid to use political murder when expedient yet simultaneously outgoing and good humored to those around him Tito created a unique and unusual state between the Western democracies and the Eastern Bloc Only with his death did the fabric of his national communist state tear asunder and age old identities reassert themselves bringing about a period of intense conflicts that produced a new equilibrium with ethnically based successor states that cracked up the state he once led Marshal Josip Broz Tito The Life and Legacy of Yugoslavia s First President examines the life of one of the 20th century s most influential leaders Along with pictures of important people and places you will learn about Tito like never before **Tito** Richard West,1995 A revealing biography of
