Pellegrini, 2014-06-04 SIG Entrepreneurship of EURAM fosters research and networking on entrepreneurship in diverse European contexts. This book compiles top contributions exploring entrepreneurship as a mindset, practice and identity in modern society. **International Encyclopedia of Business and Management: Accounting - Deconstruction analysis and management** Malcolm Warner, 1996 *Management and Labour in Europe* Christel Lane, 1989 Management and Labour in Europe is virtually without peer in that it brings much of the latest literature in industrial relations and management studies to bear on the subject of how institutions at the micro level shape the political economy. I view it as essential reading for scholars of comparative political economy and European politics. Peter A Hall Harvard University US. Everywhere in the book one gets the feeling of an authoritative grasp of facts, figures and meanings but everything is placed in the proper context and has been weighted in relation to competing or complementary findings despite the complexity and richness of findings taken on board. I found that the text is easy and compelling to read.
