Torreys Miracle:

Torrey's Miracle a Matter of Choice Margaret Berger Morse,2001-05 Bob was brought up as a respectable and highly favored young man The town s people looked up to him as if he was a saint a man who could do no wrong He was the pastor of the most liveliest church in town beloved father cherished husband and a proud loyal WWII soldier However Bob s admirers had no idea that their idolized leader was capable of such infidelity Would his once secretive ways cause him to plummet from the pedestal he was placed on and loose everything he loves *Christ-Centered* Robert P.

Menzies,2020-10-05 Pentecostals are often portrayed as emotional people who are driven largely by experience In Christ Centered Menzies argues that this caricature misses the fact that Pentecostals are fundamentally people of the book Although Pentecostals encourage spiritual experience they do so with a constant eye to Scripture The Bible and particularly the book of Acts fosters and shapes pentecostal experience Additionally Pentecostals are defined by their emphasis on a personal relationship with Jesus Christ At its heart the pentecostal movement is not Spirit centered but rather Christ centered The work of the Spirit as Pentecostals understand it centers on exalting and bearing witness to the Lordship of Christ Menzies develops these themes by examining the origins biblical foundations and missional orientation of the modern pentecostal movement He concludes that in spite of contradictory messages from some in fundamentalist pews and the pentecostal academy Pentecostals are and have always been solidly evangelical *A House Full of Apes* Margaret Berger Morse,2014-07-28 A family of stuffed apes and their friends join a human family and have many adventures together

Laugh A Lot Cry A Lot Margaret Berger Morse,2009-07-22 No Comprehension here Those words spoken by a neurologist to Whitney and Margaret Morse in May 2005 caused horrible despair but pushed this couple to determined perseverance in a long battle of healing Mr Morse sustained in January 2005 a sub cranial bleed followed by two strokes He was diagnosed with Wernicke s Aphasia a communication disorder as the result of stroke In this story of their journey of faith perseverance and healing Margaret Morse wants to convey to the reader the importance of believing caring and hope when one is faced with crisis in this case the results of severe stroke Dedication This book is written for those families affected by stroke and it is written for the one I love *Under two masters, the story of Jacoby, dr. Torrey's assistant* John Kennedy Maclean,1905

Guaranteed Pure Timothy Gloege,2015-04-27 American evangelicalism has long walked hand in hand with modern consumer capitalism Timothy Gloege shows us why through an engaging story about God and big business at the Moody Bible Institute Founded in Chicago by shoe salesman turned revivalist Dwight Lyman Moody in 1889 the institute became a center of fundamentalism under the guidance of the innovative promoter and president of Quaker Oats Henry Crowell Gloege explores the framework for understanding humanity shared by these business and evangelical leaders whose perspectives clearly differed from those underlying modern scientific theories At the core of their corporate evangelical framework was a modern individualism understood primarily in terms of economic relations Conservative evangelicalism and modern business

grew symbiotically transforming the ways that Americans worshipped worked and consumed Gilded Age evangelicals initially understood themselves primarily as new Christian workers employees of God guided by their divine contract the Bible But when these ideas were put to revolutionary ends by Populists corporate evangelicals reimagined themselves as savvy religious consumers and reformulated their beliefs Their consumer oriented orthodoxy displaced traditional creeds and undermined denominational authority forever altering the American religious landscape Guaranteed pure of both liberal theology and Populist excesses this was a new form of old time religion not simply compatible with modern consumer capitalism but uniquely dependent on it
