CURT RIESS

Total Espionage

Curt Riess

Total Espionage:

Total Espionage Curt Riess, 2017-04-20 Total Espionage was first published shortly before Pearl Harbor and is fresh in its style retaining immediacy unpolluted by the knowledge of subsequent events It tells how the whole apparatus of the Nazi state was geared towards war by its systematic gathering of information and dissemination of disinformation The author a Berlin journalist went into exile in 1933 and eventually settled in Manhattan in where he wrote for the Saturday Evening Post He maintained a network of contacts throughout Europe and from inside the regime to garner his facts The Nazis made use of many people and organizations officers associations who were in touch with many who left to help organize the armies of South American countries and in the USA there were the Friends of the New Germany German consulates sprang up and aircraft would make unusual detours to observe interesting parts of foreign countries News agencies and various associations dedicated to maintaining contacts with particular countries were encouraged to supply information Film studios would send large crews abroad to shoot documentaries as well as perform acts of espionage Foreign nationals were bribed or blackmailed and pro fascist groups in foreign countries were supported via the Auslandsorganization All Germans living abroad were encouraged to report their observations to the authorities particular attention was being focused on engineers technicians scientists and people in other professions who were particularly likely to obtain valuable information however other Germans abroad were also used even cabaret singers waiters language teachers as well as Germans travelling abroad as tourists Germans living abroad were exempt from mobilization because of their value as spies Foreigners were given opportunity to study in Germany and connections with them were kept in the hope that they would one day provide useful information All of this was Goebbels Total Espionage

Total Espionage Curt Riess, 2016 How the Nazis built their international information gathering apparatus a vast organization where no nugget of news was too small to be taken note off This was Total Espionage

Proponents of the Doctrine of Total Espionage Fedor Mikhaïlovich Sergeev, 1964 *Stalin and Europe* Timothy Snyder, Ray Brandon, 2014 A volume of original essays that reassesses the Soviet Union's impact on Europe before during and after World War II

The Eurasian Triangle Hiroaki Kuromiya, Georges Mamoulia, 2016-04-25 Even the best books on international history are ignorant of the secret war against the Russian Empire and the Soviet Union waged jointly by the Caucasian peoples and Japan in the first half of the twentieth century This book explores and exposes previously unknown passages in Eurasian international history Although the secret war ultimately failed in liberating the Caucasian peoples the lessons of this Eurasian collaboration were not lost on the United States which after World War II confronted the Soviet Union just as Japan had earlier Washington copied the strategy of its former enemy and developed it further The Eurasian triangle of Russia the Caucasus and Japan is a forgotten history of cardinal importance that stretching from the Russo Japanese War to World War II influenced Western Cold War strategies This book is also the story of a friendship rare in international politics between two unlikely partners unspoiled by political vicissitudes

Congressional
