Total Leaders:

Total Leaders 2.0 Charles J. Schwahn, William G. Spady, 2010-04-16 Total Leaders 2.0 is the twenty first century's quick guide to leadership and successful change. It places the best thinking of several dozen cutting edge leadership and change gurus of the past two decades into an integrated, compelling, easily understood and practical leadership framework: the Total Leader 2.0 Model. The model's five domains and fifteen performance roles enable leaders in any field of endeavor to systematically address the challenges of organizational change in today's technologically driven, dramatically changing world. What the book's first two chapters vividly describe as the Age of Empowerment. This new edition of the widely read Total Leaders book 1 significantly deepens the theoretical grounding and applicability of the original Total Leader Model and 2 expands its connection to other significant dimensions of leadership: professionalism, personal empowerment, learning, life and change. This book provides education leaders with a powerful, outside the box perspective on today's pressing educational issues and a systematic process called strategic design for moving their organizations from an Industrial Age grounding to an Age of Empowerment way of educating for the twenty first century.

Total Leadership Stewart Friedman, 2014-08-19 National Bestseller. Students talk about Stewart D. Friedman, a management professor at the Wharton School, with a mixture of earnest admiration, gratitude and rock star adoration. New York Times. In this national bestseller, Stew Friedman gives you the tools you need to achieve four-way wins: improved performance in all domains of life: work, home, community and self. Friedman, celebrated professor and founding director of the Wharton School's Leadership Program and its Work-Life Integration Project, explains how three simple yet potent principles—be real, be whole and be innovative—can help you, no matter what your age or what you do for work, become a better leader and have a richer life. In this engaging adaptation of his hands-on Wharton course, he offers step-by-step instruction to help you create positive, sustainable change in your world. This proven, programmatic method teaches you how to produce stronger results at work, find clearer purpose, feel less stressed, strengthen connections with the people who matter most to you, contribute further to important causes and gain greater support for your vision of your future. If you're ready to learn to lead in all parts of your life, this is the book for you. For a full array of Total Leadership tips and tools, visit totalleadership.org. Also look for Stew Friedman's book *Leading the Life You Want*, which builds on Total Leadership by profiling well-known leaders from Bruce Springsteen to Michelle Obama who exemplify its principles and demonstrate how

success in your work is accomplished not at the expense of the rest of your life but as the result of meaningful attachments to all its parts
