Friedman,1985-08-14 It is a widely held belief today that there are too many lawsuits too many lawyers too much law As readers of this engaging and provocative essay will discover the evidence for a litigation explosion is actually quite ambiguous But the American legal profession has become extremely large and it seems clear that the scope and reach of legal process have indeed increased greatly How can we best understand these changes Lawrence Friedman focuses on transformations in American legal culture that is people s beliefs and expectations with regard to law In the early nineteenth century people were accustomed to facing sudden disasters disease accidents joblessness without the protection of social and private insurance The uncertainty of life and the unavailability of compensation for loss were mirrored in a culture of low legal expectations Medical technical and social developments during our own century have created a very different set of expectations about life again reflected in our legal culture Friedman argues that we are moving toward a general expectation of total justice of recompense for all injuries and losses that are not the victim s fault And the expansion of legal rights and protections in turn creates fresh expectations a cycle of demand and response This timely and important book articulates clearly and in nontechnical language the recent changes that many have sensed in the American legal system but that few have discussed in so powerful and sensible a way Total Justice is the third of five special volumes commissioned by the Russell Sage Foundation to mark its seventy fifth anniversary      Public Documents Washington (State),1919      Total Justice (1996-) #3 Priest,2019-06-06 The Justice League is running out of time Gripped by illusions and battling monstrous threats the League faces an explosive end even if they succeed in stopping the doomsday device      *Workmen's Insurance and Compensation Series* ,1914      **Sessional Papers** ,1923 Report of the Dominion fishery commission on the fisheries of the province of Ontario 1893 issued as vol 26 no 7 supplement      *Judicial Statistics, England and Wales* Great Britain.
