## **Touch Of Sin:**

A Touch of Sin Bill D. Hallsted, 2014-01-31 What do you think you're doing Titus yelled as the gang banger blocking his car stepped out Go away Leave me alone The man named Jesus grinned wickedly Judgment day preacher man he said Tell me where the money is or you ain't gonna make it home Then I will go get your pretty blonde wife And your daughter too preacher man Now tell me where the money is or I'll tell you what I'm going to do to both of them Titus grabbed the still new gun and raised it steadying his shaking hand on the top of the open car door Just stop right there I've got a gun Surprise etched the other's face His hand darted inside his own jacket Fear gripped Titus He jerked His gun discharged Panic seized him He squeezed the trigger again and again How had things come to this How could he a devout and sincere man of God be involved in a shoot out with a member of a drug gang on a lonely road How could he have done any of the things he had done in the past month Had he traveled so far down this road there was no way back **A Touch of Monster Hunter Romance**

Gemma Cates, Four spicy hot adventures with the monster hunting Van Helsing sisters Mariah Mia Morgan and Tilly each meet their possible happily ever afters in these steamy action filled stories A Touch of Wild Mariah's a monster hunter who needs to open her eyes enough to see the man in front of her Barrett's more than the beastly bite that infected him A Touch of Crazy Mia's a monster hunter with a bit of a crush on a guy or perhaps a mild but completely non stalkerish obsession and Dylan's a hot human with buns of steel and an adorable white knight complex A Touch of Wicked Morgan's a lone wolf monster hunter who needs a partner more than she realizes and Aiden's an ice witch who's anything but cold A Touch of Sin Tilly's a pissed off monster hunter on a mission to make her bangable boss pay and Rafe's a grumpy ex hunter with a thing for his employee The Van Helsing women might be kick ass monster hunters but they share a common weakness sexy men with a touch of a dominant streak in the bedroom Join the Van Helsing sisters as they meet their sexy alpha mates A

Touch of His Freedom Charles F. Stanley, 1991 This collection of meditations is from Charles Stanley author of the entire A Touch of series and deals with our freedom through Christ The devotions come complete with verses prayers quotable quotes and photographs taken by the author The Touch of His Hand Glenn Earle Cummings, 2006-05 **The Touch of God**

Charles R. Meyer, 2002-05-30 The most important matter of concern for theologians today as always is the existence of God Theologians of the past have relied upon rational proofs for God's existence especially those based on an analysis of contingency and causality These Thomistic proofs served their purpose in a culture that was permeated with philosophical orientations and metaphysical argumentation But such logical arguments seem to have lost their relevance in our technological age Many people today are looking to religion not so much for spiritual guidance counseling or psychotherapy as for some kind of experience of the mystery which is God Individuals seeking meaning and hope in their lives are not comforted by a God described as the Necessary Cause or Unmoved Mover Rather they seek to experience the presence of the personal and loving God of Biblical revelation and the Judeo Christian tradition They search for signs of the divine presence

in their daily life experiences This problematic of identifying God's presence in an experience may necessitate the construction of an entirely new theological methodology radically different from the traditional one which proceeded largely by way of rational analysis Realizing this Father Meyer analyzes from the theological point of view the experience of God's presence in daily life and surveys the criteria and norms by which that experience can be identified as being of divine origin He also includes an analysis of the fundamental yet often forgotten role of the Holy Spirit in religious experience thereby exploring the basis of the current Pentecostal movement
