Tulip Fever:

Tulip Fever Deborah Moggach, 2000-03-14 A gorgeous novel Mail on Sunday From the bestselling author of *The Best Exotic Marigold Hotel* comes a thrilling story of power lust and deception Seventeenth century Amsterdam a city in the grip of tulip fever Sophia s husband Cornelis is one of the lucky ones grown rich from this exotic new flower To celebrate he commissions a talented young artist to paint him with his beautiful bride But as the portrait grows so does the passion between Sophia and the painter and ambitions desires and dreams breed an intricate deception and a reckless gamble Now a major film starring Oscar winners Dame Judi Dench Alicia Vikander and Christoph Waltz and adapted for the screen by Sir Tom Stoppard [Tulip Fever](#) Deborah Moggach, 2007-12-18 A sensual tale of art lust and deception now a major motion picture In 1630s Amsterdam tulipomania has seized the populace Everywhere men are seduced by the fantastic exotic flower But for wealthy merchant Cornelis Sandvoort it is his young and beautiful wife Sophia who stirs his soul She is the prize he desires the woman he hopes will bring him the joy that not even his considerable fortune can buy Cornelis yearns for an heir but so far he and Sophia have failed to produce one In a bid for immortality he commissions a portrait of them both by the talented young painter Jan van Loos But as Van Loos begins to capture Sophia s likeness on canvas a slow passion begins to burn between the beautiful young wife and the talented artist As the portrait unfolds so a slow dance is begun among the household s inhabitants Ambitions desires and dreams breed a grand deception and as the lies multiply events move toward a thrilling and tragic climax In this richly imagined international bestseller Deborah Moggach has created the rarest of novels a lush lyrical work of fiction that is also compulsively readable Seldom has a novel so vividly evoked a time a place and a passion Praise for *Tulip Fever* Sumptuous prose reads like a thriller *The New York Times Book Review* An artful novel in every sense of the word deftly evokes seventeenth century Amsterdam s vibrant atmosphere *Los Angeles Times* Need a brief escape into a beautiful and faraway world Deborah Moggach s wonderful *Tulip Fever* can offer you that *New York Post* Taut with suspense and unexpected revelations *Entertainment Weekly* Elegantly absorbing *The Philadelphia Inquirer* *Focus On: 100 Most Popular American Romantic Drama Films* Wikipedia contributors, **Tulip Fever. 1636-1637 - Myth and Reality** Henk Looijesteijn, 2023 Stories about the tulip fever of 1636 37 paint an astonishing picture yet the truth is rather more prosaic No one bought a house on an Amsterdam waterfront for the price of a tulip bulb there were no sensational bankruptcies and no one leaped to a tragic death in a canal The highest bid for a Viceroy tulip bulb in February 1637 4 200 guilders was likely never paid since that was when the market crashed Why the market crashed is a mystery A tulip glut Doubts about their quality since the bulbs still lay in the ground The effects of the plague that took so many tulip growers The inevitable collapse of an overheated market This book explains what actually happened in the first half of the seventeenth century how tulips evolved from a sought after collector s item to a commercial product to a speculative object How traders originally traded in flowering bulbs then in bulbs and finally in bulbs that still lay in the soil and might be sold

on several times by speculators in the hope of an ever higher profit And what happened and didn't happen when the market crashed in February 1637 to the delight of scornful artists and composers of satirical rhymes 00Exhibition Museum de Zwarte Tulp Lisse The Netherlands 18 03 17 08 2023 **Tulip Fever (Movie Tie-In Edition)** Deborah

Moggach,2017-10-13 Seventeenth century Amsterdam a city in the grip of tulip fever Sophia's husband Cornelis is one of the lucky ones grown rich from this exotic new flower To celebrate he commissions a talented young artist to paint him with his beautiful young bride But as the portrait grows so does the passion between Sophia and the painter and ambitions desires and dreams breed an intricate deception and a reckless gamble *Spotlight Science Teacher Support Pack 9* Keith

Generic Instability and Identity in the Contemporary Novel Madelena Gonzalez, 2009-12-14 Contemporary aesthetics is characterized by generic mixing on the level of both form and content The barriers between different media and different genres have been broken down in all literary art forms whether it be theatre poetry or the novel While the publishing industry is increasingly keen to label novels according to genre or sub genre Chick Lit Lad Lit Gay fiction Scottish fiction New Historical Fiction Crime fiction Post 9 11 Fiction the novel itself and novelists persist in resisting generic categorizations as well as inviting them Is this a move towards a new artistic liberty or does it simply testify to a confusion of identity The aesthetic supermarket evoked by Lodge in 1992 does indeed seem to sum up the variety of choices open to writers of fiction today and a literary landscape characterized by crossover and hybridization The familiar dialectic of realism versus experimentation has segued into a middle ground of consensus which is neither radical nor populist but both at the same time The techniques of postmodernism have become selling points for novels and the Postmodern Condition itself seems little more than a narrative posture marketed for an increasingly wide audience Whether they have recourse to a repertoire of imposture Amis Self Winterson as Richard Bradford would have it *The Novel Now* 2007 in other words the abandonment of any obligation to explain or justify their excursions from credulity and mimesis or like the New Puritans make use of narrative minimalism in order to foreground their own peculiarities contemporary novelists consistently draw attention to the fundamental instability of narrative process and genre The much feared apocalypse of the novel has failed to take place with the arrival of the new millennium but generic game playing and flickering narrative hesitation and uncertainty continue to pose the question of what constitutes a novel today and to challenge its identity in a world where all culture is increasingly public increasingly contested and increasingly multifarious Thanks to theoretical approaches as well as analyses of specific works this collection of essays aims to examine the concepts of generic instability and cross fertilization of narrative postures and impostures and their constant redefinition of identity which contaminates the very concept of genre It demonstrates the diversity of generic practices in the novel today and furnishes us with undeniable evidence of how generic instability is fundamentally constitutive of the contemporary novel's identity *Theory of*
