**Those We Thought We Knew** David Joy,2024-08-27 Winner of the 2023 Willie Morris Award for Southern Fiction Winner of the 2023 Thomas Wolfe Memorial Literary Award Winner of the 2024 Sir Walter Raleigh Award From award winning writer David Joy comes a searing new novel about the cracks that form in a small North Carolina community and the evils that unfurl from its center Toya Gardner a young Black artist from Atlanta has returned to her ancestral home in the North Carolina mountains to trace her family history and complete her graduate thesis But when she encounters a still standing Confederate monument in the heart of town she sets her sights on something bigger Meanwhile local deputies find a man sleeping in the back of a station wagon and believe him to be nothing more than some slack jawed drifter Yet a search of the man s vehicle reveals that he is a high ranking member of the Klan and the uncovering of a notebook filled with local names threatens to turn the mountain on end After two horrific crimes split the county apart every soul must wrestle with deep and unspoken secrets that stretch back for generations Those We Thought We Knew is an urgent unraveling of the dark underbelly of a community Richly drawn and bracingly honest it asks what happens when the people you ve always known turn out to be monsters what do you do when everything you ever believed crumbles away

**The Man in the Red Hat** Richard Robbins,2019-08-27 All good cowboys knew that where there were no written laws it might become necessary at times to take inappropriate behavior and immoral matters of others into their own hands It sometimes required them to set aside personal plans to help when someone is in need This was a situation Joshua was facing He hadn t before been involved in disputes but always felt that he was ready if he was to be tested A cowboy did what he had to do without expecting to be paid for his efforts even if he knew it might cause him the forfeiture of life What circumstances in life prepared him for what he knew he had to do What gave him the mettle the courage bravery determination Intelligence spirit grit resolve and valor needed is the lesson that should be taken from the story
