Wild Angels:

Hoodlum Movies Peter Stanfield,2018-07-13 From The Wild Angels in 1966 until its conclusion in 1972 the cycle of outlaw motorcycle films contained forty odd formulaic examples All but one were made by independent companies that specialized in producing exploitation movies for drive ins neighborhood theaters and rundown inner city theaters Despised by critics but welcomed by exhibitors denied first run films these cheaply and quickly produced movies were made to appeal to audiences of mobile youths The films are repetitive formulaic and eminently forgettable but there is a story to tell about all of the above and it is one worth hearing Hoodlum Movies is not only about the films its focus is on why and how these films were made who they were made for and how the cycle developed through the second half of the 1960s and came to a shuddering halt in 1972

Xavier Mendik,Steven Jay Schneider,2002 Whether defined by the carnivalesque excesses art house erotica or narrative experimentations underground cinema has achieved an important position within American film culture Often defined as cult exploitation alternative or independent the American underground retains separate strategies of production and exhibition from the cinematic mainstream while its sexual and cinematic representations differ from the traditionally conservative structures of the Hollywood system Underground U S A Filmmaking Beyond the Hollywood Canon offers a fascinating overview of this area of maverick movie making by considering the links between the experimental and exploitation traditions of the American underground The volume brings together leading film theorists critics exhibitors and film makers who take as their focus those directors films and genres typically dismissed belittled or ignored by established film culture The contributors thus consider the stylistic generic and representational strategies that have emerged in the alternative American film scene from the 1940s to the present
