

wild geese

You do not have to be good.
You do not have to walk on your knees
for a hundred miles through the desert repenting.
You only have to let the soft animal of your body
love what it loves.
Tell me about despair, yours, and I will tell you mine.
Meanwhile the world goes on.
Meanwhile the sun and the clear pebbles of the rain
are moving across the landscapes,
over the prairies and the deep trees,
the mountains and the rivers.
Meanwhile the wild geese, high in the clean blue air,
are heading home again.
Whoever you are, no matter how lonely,
the world offers itself to your imagination,
calls to you like the wild geese, harsh and exciting -
over and over announcing your place
in the family of things.

Wild One Lucille Day, 2000 Poetry Lucille Lang Day is a jack of all trades and her multitude of talents and interests shines through in her new collection of poetry WILD ONE No one writes poems quite like Lucille Day's sharp edged witty ironic poems laugh out loud funny poems startling disquieting slightly sinister poems gorgeously wrought lyrical poems With unique combination of gifts including the precision of a mathematician a botanist's powers of observation the memoirist's eye for the critical detail Day captures the moment midair and pins it to the page WILD ONE is a wonderful collection of those moments Maria Falk Wild One Tania Hart, 2021-01-14 awaken from the slumber of a half lived life look around see the trees dance a dream within a dream how are you living Told through poetry and prose Wild One is a story of finding passionate purpose in life through the art of healing and self discovery If you have ever felt numb lost or fed up with the trajectory of your life Wild One comes as a reminder of the exhilarating beauty of living and the possibilities of what is possible A weaving of feeling and freedom the book can be read in one sitting or each piece separately as a poetic meditation Wild One brings you back to yourself The raw playful divine and present you **From Inside These Wild Ones** Ryan Van Lenning, 2025-06-21 From Inside These Wild Ones is a collection of earthy poetry emerging from the author's experiment of living outside with the seasons and the living sky as his heart home roof From bears bees and birds to storms snakes and silence these poems honor the animate web of life and our intimate relationship inside it The poems here are not only reminders of the mystery of our other than human kin but evocations of the animals we are Van Lenning weaves lyric humor and mythopoetic exploration to invite a multispecies embodied and soulful participation in the unfolding symphony of life The beasts within are lurking listening yearning to live From Inside These Wild Ones is Book 3 in the Re Membering Series

Toward a Latina Feminism of the Americas Anna Marie Sandoval, 2009-09-15 Weaving strands of Chicana and Mexicana subjectivities Toward a Latina Feminism of the Americas explores political and theoretical agendas particularly those that undermine the patriarchy across a diverse range of Latina authors Within this range calls for a coalition are clear but questions surrounding the process of these revolutionary dialogues provide important lines of inquiry Examining the

works of authors such as Sandra Cisneros, Laura Esquivel, Carmen Boullosa, and Helena María Viramontes. Anna Sandoval considers resistance to traditional cultural symbols and contemporary efforts to counteract negative representations of womanhood in literature and society. Offering a new perspective on the oppositional nature of Latina writers, Sandoval emphasizes the ways in which national literatures have privileged male authors whose viewpoint is generally distinct from that of women, a point of departure rarely acknowledged in postcolonial theory. Applying her observations to the disciplinary, historical, and spatial facets of literary production, Sandoval interrogates the boundaries of the Latina experience. Building on the dialogues begun with such works as Sonia Saldivar Hull's *Feminism on the Border* and Ellen McCracken's *New Latina Narrative*, this is a concise yet ambitious comparative approach to the historical and cultural connections, as well as disparities, found in Chicana and Mexicana literature.

Unleashed, sacred, erotic, otherworldly, palpable, and serene. This one's for the wild ones. The black sheep, the lost ones, the found ones, the ones who are loved, the unforgotten ones. This one's for the wild ones. Designed to be read and pondered upon as a novel made out of poems, these pages will call you into certain depths and ask you to connect the dots wherever there are open spaces. You are impelled to feel and to think. And to chew on this paper until it runs through your veins.
The Wild One and Her Dragon ABBY. O'KEEFE, 2025-03-20
This second collection of poems from Abby O'Keefe is a reclamation of the wild one, the inner child, the one who roars with breath full of freedom and flies with confidence beneath her wings. The woman who was born a dragon, tamed by humanity with a desire to unleash herself once more. To the woman who is here to start revolutions and lead herself fearlessly. To the woman who believes in true freedom and sovereignty in her soul. To the woman who refuses to settle for less than the happiest, most fulfilling life. To the woman who knows that fear does not define her and doubt does not dictate the path of her life. To the woman who is ready to shatter limited human constructs and create a life steeped in desire. Let's begin.
