Texts For Nothing:

Samuel Beckett's "Texts for Nothing". Barry Charles Smith, 1978 **Stories and Texts for Nothing** Samuel Beckett, 2007-12-01 This volume brings together three of Nobel Prize winner Samuel Beckett's major short stories and thirteen shorter pieces of fiction that he calls texts for nothing. Here, as in all his work, Beckett relentlessly strips away all but the essential to arrive at a core of truth. His prose reveals the same mastery that marks his work from *Waiting for Godot* and *Endgame* to *Molloy* and *Malone Dies*. In each of the three stories, old men displaced or expelled from the modest corners where they have been living bestir themselves in search of new corners. *Told You Can't Stay Here*, they somehow doggedly inevitably go on. Includes *The Expelled*, *The Calmative*, *The End*. **Texts for Nothing 1-10** **Texts for Nothing and Other Shorter Prose, 1950-1976** Samuel Beckett, 2012-10-04 This is the last of three volumes of collected shorter prose to be published in the Faber edition of the works of Samuel Beckett, which already includes a volume of early stories *The Expelled*, *The Calmative*, *The End*, *First Love*, and of late stories *Company*, *Ill Seen, Ill Said*, *Worstward*, *Ho*, *Stirrings*, *Still*. The present volume contains all of the short fictions, some of them no longer than a page, written and published by Beckett between 1950 and the early 1970s. Most were written in French and they mostly belong within three loose sequences: *Texts for Nothing*, *Fizzles*, and *Residua*. The edition also includes two remarkable independent narratives, *From an Abandoned Work* and *As the Story Was Told*. All of these texts, whose unsleeping subject is themselves, demonstrate that the short story is one of the recurrent modes of Beckett's imagination and occasions some of his greatest works. He would like it to be my fault that words fail him; of course, words fail him. He tells his story every five minutes, saying it is not his; there's cleverness for you. He would like it to be my fault that he has no story; of course, he has no story; that's no reason for trying to foist one on me. Samuel Beckett's *Texts for Nothing* Elliot Krieger, 1977 *Stories and Texts for Nothing* Samuel Beckett, 1980 This volume brings together three of Nobel Prize winner Samuel Beckett's major short stories and thirteen shorter pieces of fiction that he calls texts for nothing. Here, as in all his work, Beckett relentlessly strips away all but the essential to arrive at a core of truth. His prose reveals the same mastery that marks his work from *Waiting for Godot* and *Endgame* to *Molloy* and *Malone Dies*. In each of the three stories, old men displaced or expelled from the modest corners where they have been living bestir themselves in search of new corners. *Told You Can't Stay Here*, they somehow doggedly inevitably go on. **Samuel Beckett and BBC Radio** David Addyman, Matthew Feldman, Erik Tønning, 2017-03-30 This book is the first sustained examination of Samuel Beckett's pivotal engagements with post-war BBC radio. The BBC acted as a key interpreter and promoter of Beckett's work during this crucial period of his getting known in the Anglophone world in the 1950s and 1960s, especially through the culturally ambitious *Third Programme*, but also by the intermediary of the house magazine *The Listener*. The BBC ensured a sizeable but also informed reception for Beckett's radio plays and various adaptations, including his stage plays, prose, and even poetry. The audience that Beckett's works reached by radio almost certainly exceeded in size his readership or theatre

audiences at the time In rethinking several key aspects of his relationship with the BBC a mix of new and familiar Beckett critics take as their starting point the previously neglected BBC radio archives held at the Written Archive Centre in Caversham Berkshire The results of this extended reassessment are timely and in many cases quite surprising for readers of Beckett and for scholars of radio late modernism and post war British culture more broadly [A Companion to Samuel Beckett](#) S. diversity of Beckett's art as dramatist and story teller His astonishing flexibility and inventiveness is stressed throughout
either in studies of single novels or from the whole range of the fiction and stage drama or from the experiments in other
media the solitary film the radio plays Beckett's bilingualism one of the strangest aspects of his Proteanism is examined
through a comparison of the French and English texts of some of his stage plays The emphasis of the essays is literary rather
