Lectionary Preaching Workbook, Series VI, Cycle C E. Carver McGriff, 1998 Preachers must understand the teaching techniques of parable and hyperbole not to mention having a good background in systematic theology in order to understand what the Bible s writers really meant But our responsibility is also to reduce the complexities of Bible study to such simplicities that our many listeners ranging from busy young professional people to aging men and women of failing health to youngsters facing a variety of new temptations can take away a saving word from the Preface E Carver McGriff provides the tools preachers need for their daunting task with some of the most timely and thought provoking research on the lectionary texts ever made available Included for each scriptural lesson in the lectionary are A listing of the applicable Revised Common Roman Catholic and Episcopal lectionary texts A description of the Psalm of the day A prayer for the day Commentary that is more than academic exegesis McGriff brings to the forefront those points in the lessons that relate most poignantly to our contemporary reality Suggested sermon titles for each of the three texts for each Sunday Themes and suggested directions for preaching on each text Several additional illustrations to enliven your preaching Known in the Indianapolis community as a preacher with extraordinary gifts it is no surprise at all that this work by Carver McGriff brings remarkable insights to those who look for integrity in their preaching Carver looks at the texts with a freshness that is sure to stimulate the thought process Careful use of these suggestions will bring serendipities to preacher and congregation George H Tooze Senior Minister First Baptist Church Indianapolis Indiana One of America s premiere preachers E Carver McGriff returned home after earning two Purple Hearts during World War II to earn a degree in business administration from Butler University Following a career as a salesman and business owner McGriff entered Garrett Theological Seminary where he was voted Best Preacher by the faculty and graduated with distinction During his 26 year ministry at St Luke s Methodist Church in Indianapolis McGriff spearheaded his congregation s remarkable growth in membership from 900 to 4 400 with average Sunday attendance increasing from 300 to over 1 850 McGriff received an honorary degree from the University of Indianapolis and the Outstanding Alumnus award from Butler University and was

voted the Distinguished Alumnus of the year by Christian Theological Seminary McGriff was also honored in 1993 by the Governor of Indiana with the Sagamore of the Wabash His sermons have been distributed nationwide by the United Methodist Publishing House Manual of Preaching Franklin Woodbury Fisk,1884 The Greatest Texts of the Bible Clarence Edward Noble Macartney,1947 **Difficult Texts** Catherine Gunsalus González,2005 The Bible presents the preacher with several texts that are difficult to preach because they seem totally out of touch with the world in which we live Often the problem is these passages oppose basic assumptions of our culture that may well be at odds with the gospel itself In that case the passages need to be proclaimed and yet the sermon must take account of the trouble the congregation will have in hearing such a word In this book six such passages are considered along with some general considerations about approaching difficult texts The chapter titles include Can the Consumer Ever Be Satisfied Celibacy You re Kidding Blest Handkerchiefs and Demons Shouldn t We Try to Get Ahead The God of Vengeance and Completing the Sermon Process This book is part of the Preaching the Great Texts series *The Work of Preaching* Arthur Stephen Hoyt,1917 *A Pastor's Guide to Text-Driven Preaching* ,2016-09-01 A myriad of preaching methodologies vie for prominence in the pulpit but what option fits a scriptural view of preaching Southwestern Seminary believes text driven preaching answers that question But what is text driven preaching How is it done What are its essential elements And what does the Bible say about this preaching method Each of these questions and more are addressed in this concisely written tool for the local pastor who strives to faithfully present the revelation of God to His people *Preaching for the Rest of Us* Robby Gallaty,Steven W. Smith,2018-06-01 Preaching for the Rest of Us serves as a starter s guide to text driven preaching Driven by the conviction that pastors hold the weighty and honorable responsibility of explaining Scripture to their congregations Gallaty and Smith present a clear step by step process for re presenting Scripture in compelling text driven sermons From Gospel to Sermon David J. Ourisman,2000 Ourisman offers a method for reading each gospel s particular emphasis and weaving its distinctive theme into the sermon **Hear My Voice** James L. Evans,Stan Purdum,Carlos Wilton,2006 Of the four lectionary texts for each Sunday the Psalms are the least frequently used as a basis for sermons yet the Psalms are incredibly rich in the very life substance that makes preaching relevant From personal suffering to the absence of God from national failure to the burden of personal sin the Psalms are filled with the pathos of the human struggle for and with God If you want to tap into this abundant source of sermon material Hear My Voice is an invaluable tool that you won t want to be without It s a comprehensive collection of informative homiletical commentaries on the Psalm texts drawn from the pages of the acclaimed preaching journal *Emphasis* Covering the complete three year cycle of the Revised Common Lectionary these brief explorations provide numerous starting points for developing solidly scriptural sermons that also speak to contemporary life Convenient features include cross referencing of multiple occurrences of the same text so that you can consider alternative approaches plus a helpful index While targeted primarily to preachers and homiletics students Hear My Voice is an inspiring

volume with accessible commentary for anyone who wants a better appreciation of the Psalms and how they speak to us today
