## **The Problems Of Love:**

*God and the Problems of Love* Kelly James Clark,2023-12-21 Religious believers are often commanded to love like God On classical accounts God seems a poor model for human beings an immutable and impassable being seems incapable of the kind of episodic emotion sympathy empathy that seems required for the best sorts of human love Models more conducive to human love on the other hand are often rejected because they seem to limit God s power and glory This Element looks first at God and then divine love within the Abrahamic traditions Islam Christianity and Judaism It will then turn to love and the problem of hell which is argued as primarily a problem for Christians The author discusses the kind of love each tradition asks of humans and wonders given recent work in the relevant cognitive and social sciences if such love is even humanly possible This title is also available as Open Access on Cambridge Core

**Love Therapy** UMUT TEKİN,2025-09-03 Dear Readers Love is one of the most profound and complex emotions of human life This emotion can both take us to the top and drag us into deep abysses While writing the book *Love Therapy* I tried to understand and explain this dual nature of love The aim of this book is to show you dear readers that love is not only an emotion but also a journey a discovery and a therapy process In the first part of the book I discuss the nature of love and common problems encountered in relationships supported by both theoretical knowledge and real life examples In the second part you will discover ways of coping with the challenges of love and the healing power of love In this part you will find practical suggestions and techniques to help you make your own inner journey In writing this book I wanted not only to provide information but also to encourage and support you on your own journey of love Each of us has different experiences of love in our own lives It is important to find the commonalities of these experiences and to draw strength from these commonalities so that we can maintain our relationships in a healthier and happier way I hope that the book *Love Therapy* will shed light on your life and help you to establish deeper more meaningful and happier bonds in your relationships It is a great honour and source of happiness for me to be with you on this journey With love Umut Tekin
